FH3, RUN 1325. GROPA and DD, Langford, 10/6/16

LTNS: **Gropa, DD, Shifty, Whoreda**

STAND-INS: **Radar** for GPS (Onsex), **10%** for Hogshit (Piss Pourer), **Mel Adjusted** for High Beam (Flash)

Down downs for all, plus one for **D-Cell** to lubricate her throat – just a bit croaky tonight!

RUN REPORT:

**Doggy Doo** spoke for the walkers, **Sardar** for the runners – both agreed that, although it was a bit light on chalk, it was an excellent run.

CHARGES:

**Ball Wrinkle** on **D-Cell** – the shoe-light he bought from her keeps falling off. **Cookie** said that they are probably not designed to go on size 17 shoes. DD Ball Wrinkle

**Shrek** and **Sardar** got a DD for talking in the circle, though they both said they were replying (?)

“0” runs were recognised:

60 for **Shrek**

200 for **Mel Adjusted**

GM **Mountain Hawk** gave RA **Ball Wrinkle** an accolade and a headjob for the good weather

MORE CHARGES:

**Rock Bottom** on **Gropa** for misleading walkers on a long-cut. Gropa confused on her own run (methinks she may not have marked it herself...)

**Replicar** on **DD** for setting a loop that only **Sardar** ran (ah hah! DD set the run)

**Mel Adjusted** on **Mountain Hawk** for photobombing (reversed)

**Tight Arse** on **Crusher** for taking steroids – he's too serious about this running thing

MISSING PERSON REPORT:

**Cookie** reported that **Sir Fumbles** is in good spirits, but that his knee will keep him in hospital a bit longer. We all wish him a speedy recovery.

For those who didn't make it to the Blue Dress Run on Tuesday, **Cookie** is collecting donations for Motor Neuron Disease in return for a cornflower pin.

DUMMY SHORTS:

Last week the shorts were a carry-over for **Tight Arse** because he forgot to bring them to the run.

This week, **Mountain Hawk** had washed and ironed them (WTF?!) and placed them reverently on his bag, but somehow he still managed to forget them. So **Tight Arse** gets to keep them for another week. Make sure you wear them next week, or we'll think you are trying to break your own record.

At least he remembered the grog!

JOKERS:

**Cookie** – Grandfather died while making love. Damn that icecream truck.

**Tight Arse** – deserved the clip over the ear from the robot

**Mel Adjusted** – what you say can be held against you

GENERAL BUSINESS:

**Cow Pat** will be placing the order for the new shirts on Monday, 13/6. There will be no extras ordered, so if you want one let her know ASAP, and deposit money to the FH3 account as per the flyer.

FAREWELL-FOR-A-WHILE: **Cow Pat** (5 weeks), **White Pointer** (6 weeks)

RECEDING HARELINE:

**Pacemaker** reported that we need runs in July. Please contact him to put your name down.

Next week's run 1326 is by **Head Case** at the Kingsley Memorial Club Rooms, opp Woodford Wells Way, UBD186 M11

**Run 1327**      **25/6/2016**      **Horny Flasher**      **TBA**

As **Head Case** was not here tonight, **Pacemaker** led us in the club song.
