### **THE RUN**

Large turnout and all a bit slow to move out front for the hares instructions. Long run and a short run , but after a scenic run along the coast, a trespass on the golf course all ended up at the drink stop. It was cold and windy and we waited and waited. It was decided, after a committee meeting that the drink stop was a con let's proceed. Then a phone call someone was down and need the chariot carrying the drinks for transport to the hospital and or the bucket. A bit later in a quiet street the drinks turned up, out of the wind and champers and orange enjoyed. Short walk /run back home.
