THE RUN

Another cold night, however the rain did not come down. Little Prick promised heat but none forthcoming as the gas heater did not want to co-operate. On on right no hills (ha ha) in Scarborough. A longish run , the runners disappearing in the distance but somehow the walkers made it back in around the same time. Run reporter Meladjusted for the walker said it was ok. RA Sardar for the runners agreed. DD for hare and co hare High Beam.

THE CIRCLE

So much talking. No respect shown by Suka, Little Prick and Shadow. Replicar was talking shit. Bellboy ran out of puff. 15 Me Nuts training for the hockey Olympics. Think she missed the plane. Doggy Doo forgot something important and the hares in trouble for the big block hazard in the alley.
