THE RUN

It literally pissed down about half hour before the run start. RA performing his job well gave a little prayer to the hash gods and the raindrops went away not to return till after hash over. The hare laid 2 trails W and R. Both were dark and muddy as promised, the redeeming feature being the port and lemonade drink stop.

THE CIRCLE

Small group with spirits dampened by the downpour were easy to control tonight. Run reports for the runners had little to say as they all got lost. Pukeh Merah said no checks , just running and running, no lights and Success Hill was very flat. Whore-da said the walker trail was skinny & slippery, and we got lost and found. Our visitor from the US Crutch Thumper was presented with a T shirt

Stand ins Piss pourer Mouth Organ, Flash Meladjusted got a drink.
