MRS NOAH'S RAINY RUN

PREAMBLE

Sixty minutes before run time & the heavens opened up. Wind & torrential rain; I could see Hogshit's trail disappear in an instant. I fitted the outboard to the car & floated over to Hamersley.

There was Hogshit, tears in his eyes "All my trail has been washed away!!"

Slugger was hoping enough people turned up to eat all the food. High Beam told her to stop worrying & pour more bubbly.

The rain continued & the RA appeared only to announce he was too ill to stay & we were on our own as far as the weather was concerned. It was not looking good - 15 minutes to go & only 10 had turned up. In the last 10 minutes the rain stopped & members flooded in & ended up with a pack of 18.

Noah (Hogshit) was ready to "Live Hare" wrapped up in a beany, scarf & life jacket.

THE RUN

Hogshit strode into the night & the pack followed in a long straggly line. (Not exactly two by two as per the script but you get the picture.) The trail bore a resemblance to some earlier adventures in the area but Hogshit punctuated progress by regularly calling a falsy & to ensure

no one was left behind D Cell was doing her "sheepdog" act by patrolling back & forward along the length of the pack.

We stayed out for the required 30 minutes plus a few more & not a drop of rain fell. When we arrived back Mrs Noah (Slugger) had a drink stop in the garage (Port & lemonade).

Suitably warmed we attacked the nibbles until Mountain Hawk called to form a circle.

THE CIRCLE

The GM gave a drink to RTT for being stand in scribe.

No one was game to be stand in RA.

Cow Pat was called upon to comment upon the run. Her Comment was like the run "Short & sweet and the port was good too."

RUN SKIPPERS

A few failed to launch on the run & as they were called forward the Gods vented their anger. The wind blew & the rain hammered upon the roof so loud that Mountain Hawk had trouble being heard. The gutters also overflowed & there was water everywhere. The miscreants who caused this were:

Tightarse had his head stuck in the boot of his car & did not see the pack leave.

Sybil had her face glued to the TV & couldn't get out of the chair

Troppo claimed to have a serious groin injury & was looking for massage therapy.

Slugger was busy cooking .

CHARGES

Mountain Hawk charged D Cell for her sheepdog impersonation on the run.

Mountain Hawk also charged Tightarse because she could.

Rockbottom charged Hogshit for spilling beer while setting up for the circle

Mal Adjusted charged High Beam & Blowfly because he was unable to load any photos on the web site & blamed them for putting Gremlins in the system.

Tightarse charged Replicar for trying to put an extra engine in his car.

Mountain Hawk charged High Beam for complaining about being forgotten.

LTNS
