### THE RUN

Had to be good. Set by a very experienced hare and co-hare. However the RA fell down on her job and it did piss down before the runners returned. Run reporter Cow Pat said it was too wet but pleasant!! And the port was good.

### THE CIRCLE

Stand in RA Radar had a DD for dereliction of duty. All the sick people who had crawled out of their sick beds to attend also got some medicine. Cookie, Bravetart, Horny Flasher and Gropa. Troppo also got a mention for a groin problem.

Crusher announced that Skippy and Free Beer have a new baby Max. GPS was a chauvinist as usual and Hogshit was being just plain silly.
