### THE RUN

It pissed down on the way there. Then the stars came out and the RA graced us with a dry run. Just after our return his bladder was not fully empty and down it came again. Run reporter for the walkers Mouthorgan said it was nice. Nice!! Whatever did she mean. D-Cell for the runners was a little more over the top and gave the run 1000 out of 10. Let's have more of what she was on. The champagne and choc stop was well patronized, the garage was warm and dry on our return and Replicar announced free beer and champagne. What a champion.

### THE CIRCLE

Congrats to Replicar for joining the 1000 run club. Have a drink, joined by Rambling, Troppo, Cookie and all the Kiwi's. Plus more for Replicar.  
RA charged Headcase and Tightarse for having no faith and carrying umbrellas. Hogshit also had one but managed to avoid this charge.  
Cookie returned lost property to Replicar, Rambling and Bravetart.

### CHARGES

RTT on Headcase for parking her new car where the birds could shit on it.  
GM on Tightarse for disobeying orders from her grandness.  
Sheep Shunter tired of retirement got a job.

### LTNS

Organ and Headcase.

**EXTRA SPECIAL RUN REPLICAR 1000 . Got his chest pierced with his badge from the GM.**

Well done with the soup too at short notice.
