Run: 1341
Hare: Sir Fumbles

Date: 30 9 2016
VENUE: Vic Park

THE RUN

Night started out pleasant enough no rain and good turnout. Runners off you go and the walkers hang about bit for further instructions. And there is a drink stop very close to home. Despite good instructions from the hare some missed the drink stop, some got lost completely and had to ring to find out where they were. Then it pissed down and there was a lot of damp little hashers looking for shelter.

Whoreda said there was too many checks, obviously a lot too many as she was lost and D Cell gave it 10 out of 10 again.

THE CIRCLE

Stand in RA Sardar had lots of charges. Slugger and Hogshit for leaving us for 8 weeks, GPS for not knowing where the run site was, Whoreda and Little Prick for talking, Blew He for playing Pokemons.
