THE RUN

A good turnout of runners/walkers on a balmy night for our AGM.

The Hare **TightArse** set a short but enjoyable run through the leafy streets of Peppermint Grove up to the lookout overlooking Freshwater Bay (don't mention the DrinkStop !!!....) and back home along the River. Great night for prawning!

THE CIRCLE

What a night it was! It took a while to get everyone to gather around, reason: too much good food was being handed out.

Some comments from the pack:

Arseabout found his own drink stop at the local bowling club.

Little Prick thought it was a lovely run, shame about the drink stop.

Rockbottom couldn't find the lookout.

Bark Off was speechless.

Deliverance was in ore, great night, great food, didn't care about the drink stop.

Mountain Hawk thanked her outgoing committee for the hard work that everyone put in to make this year a great success. She also read out her report, which is attached to this email. Our new GM **GPS** then stepped forward to introduce his new committee, some new faces and some old ones.

A great venue organized by our outgoing GM **Mountain Hawk**, with a lovely selection of mouthwatering Japanese Food for dinner, which disappeared very quickly, watered down with Champagne that was meant to be for the drink stop.

Desserts were prepared by **Mountain Hawk** and **High Beam**.

The party started soon after with dancing to music produced by **Organ**, everyone liked his selection of the 60th and 70th, Happy Days, which we acknowledged by dressing up accordingly. A big thank you to **Organ**.
Everyone left by 2230, Eskees empty, no more drinks!!

Thank you again **Mountain Hawk** for a great night,.
