Run: 1353
Hare: Radar & Meladjusted

Date: 16 12 2016
VENUE: Thornlie

THE RUN

An enthusiastic group of 40 hashers, many in sparkling x-mas outfits, set off on a nice but longish run through the streets of Thornlie. At some stage the walkers lost trail, but persistence and lots of checking paid off and we found the drink stop (yeah- Sangria), manned by Hare and Co Hare, so no dispute over the venue ☺ We walked past some very nicely decorated homes, the last one being the most elaborate, where we had to sing Silent Night !! I think some visitors thought the Salvation Army had arrived, should have asked for a gold coin donation. Back home celebrations started, the champagne flowed.

THE CIRCLE

Christmas wishes from the **Master** during an assassination attack by **Cookie** on **On Sec** and **Piss pourer**. Reports from: walker **Slugger**: thought it was a very good walk
