**Run: 1355**  
**Hare: Butter Buns**

**Date: 06 01 2017**  
**VENUE: Applecross**

### THE RUN

The hare **Butter Buns** and Co Hare **Horny Flasher** admitted right at the start to senior moments while setting the run on Friday, rather than using our world famous Farrows they marked the run with Wednesday's Freo sixes. (so many clubs, so many signs to think about ....) It didn't really matter, it was a well marked trail which took us past some enormous mansions, to the river and of course to the promised drink stop. All was forgiven.

Only **Replicar** seemed to have enjoyed the new markings too much, flying past the drink stop and heading home, only to find that no one was there! He followed the reverse sixes and found us in the small park, enjoying Port&Lemonade (some Port without Lemonade). The On Home wasn't too far off, all 35+ hashers made it back in good time.

### THE CIRCLE

The **GM** called for attention and a well formed circle appeared (again).

Reports: **Franger** (after a bit of thinking) good I suppose, was OK.....
