**Run: 1357**

**Hare: Bravetart & Pacemaker**

**Date: 20/01/2017**

**VENUE: Iluka Foreshore**

### THE RUN

We gathered at Iluka Foreshore, hoping of summery conditions, but the minute we got there I wished I had brought the winter jacket. A blasting cold southerly welcomed 30 Hashers, eager to take off, up the drive across the road, to find shelter from the arctic conditions amongst enormous houses along the beach. Some rugged up, some braved the weather in shorts and singlet. It was a pleasant walk through the streets of Iluka, past some huge mansions, each one out sizing it's neighbour. The runners stretched their legs and left us walkers behind, but the well marked trail got us all back to base in time for a cold beer. (some mulled wine would have been more appropriate)

### THE CIRCLE

Grub was served before the circle, probably to warm the cockles of our hearts and be kind to the hares. Thank you, **BraveTart**, for a yummy sausage and vegetable stew.

**GM** called for circle, it was a rather quite affair tonight, either all were in a frozen state and unable to talk, or busy digesting.

**Wenchy** liked the run, well marked

**Crusher** also liked it, but found the houses sterile.

DD for **BraveTart**, who set the run AND cooked, and **Pacemaker** as co-ordinator .
