### THE RUN

“The Book” is back in my hands, amended and up to date.

30+ hashers gathered in front of the RSL hall in St.James, some in ANZAC gear and ready for battle.

**D Cell** kept the run in the ANZAC spirit, the soldiers had long walks in the fields, therefore we were not spared, a longish run but in much better conditions with a revitalizing drink stop.

It was a very well set run, with the help of the hare’s daughter **Zali**.

Despite the easy terrain, footpath and parks, and the gardens of Old People homes, it became a misery run for three of our fellow hashers. **Bravetart** came off worse, broken arm and bloodied limbs, **15 MeNuts** and **Skippy**, with less severe injuries, were the other two casualties.

Back at the car park **Wisecrack** and **Ramond** cared for the injured, first aid kits were brought into action

### THE CIRCLE

**GM** called for a circle and went straight into business:

**Radar** : for the walkers: albeit casualties, blood, misery and a long run 9.0
