Mountain Hawk; A Jewish guy went to market to buy a donkey, the herder said he had one for sale \$100. The Jewish guy said ok, & handed over the money. The herder said he would bring the donkey the next day. When the Jewish guy got there the herder told him the donkey had died. The Jewish guy said oh, just give me the \$100 back. The herder had already spent it. The Jewish guy, said all right give me the donkey. The herder wanted to know what for? The Jewish guy said I'm going to raffle it. But it is dead said the herder. They caught up week later, the herder said what happened? The Jewish guy replied I made \$998 from the raffle. But the donkey was dead, didn't they complain? Only the winner & I gave him his money back.
