**Run: 1427**

**Date: 15/06/2018**

**Hares: High Beam and Hogshit**

**VENUE: Slugshit Residence, Hamersley**

**THE CIRCLE:** Many of the 40 who'd rocked up were so engrossed in swapping stories about their recent travels that it took a while for the GM to gain control and start the circle. So intense was the yabbering that some people appeared to be frothing at the mouth, but they'd been hit by the bubbles from Big Bang's stun gun.

**THE RUN:** Buttered Buns said that the run was an enjoyable and well marked meander about the streets of Hamersley, fuelled enroute by Glühwein and choccies, and there had been plenty of excitement along the way. This included TightArse faceplanting over a chain and GPS going wonky at the thought of relinquishing the dummy shorts. Sardar said it wasn't a bad run but the hares lied because there were only 13 falsies instead of the promised 15.

**LTNS:** Kiss My Arse, De Nephew, Wenchy, Little Prick, Mouth Organ, Ballwrinkle and Blow Job.

**MILESTONE RUNNERS** Wise Crack (200) and GPS (300) were recognised along with **ZERO HEROES** Blow Fly (120), Buttered Buns (150) and Brave Tart (650).

### CHARGES:

When Dead Squid charged the hares for not warning the pack about the chains, the GM reversed it amid the howls of those who had heard her warning.

Mouth Organ charged Sheep Shunter for failing to recognise her in Fiji – guilty.

Blow Fly charged DeLivaRants for training so hard for FH3 that her pants fell down – guilty.

D Cell charged Wenchy for yakking about her recent trip during the circle – guilty.

Big Bang had an accolade for the GM who'd uttered two expletives – a record for her.

**BIRTHDAYS:** High Beam, Hogshit and Phantom.

**DUMMY SHORTS:**

The GM nominated Sheep Shunter for his faux pas in Fiji and Blow Fly nominated TightArse for not following trail and going AOT. Unamused, the latter picked up his ball and huffed off.

**GENERAL BUSINESS:**

The Hash Bikers are having a ride on 21 July – see TightArse for details.

**Re next week's restaurant run:**

- The actual cost of dinner is \$25pp which visitors will pay. Regulars will pay a subsidised cost of \$10pp. Buy your drinks from Hash Splash.
- As the weather could be dodgy, the run will start at the hare's home (see below).

**JOKERS** comprised the GM, DeLivaRants and RTT who all told oldies but goodies.

Wenchy led us in the song before we tucked into High Beam's soup, followed by cupcakes.
