Run: 1453 Date: 14 December 2018

Hare: Puki Merah

VENUE: 29 Hubert St, Darlington

THE CIRCLE: The circle gathered on a perfect summer evening with a view befitting the festive season with the lights of the suburbs below shining brightly.

THE RUN: The run was superbly crafted and kept the runners and walkers crossing each other on a couple of sections before they all joined the one trail home. Fittingly **Dosh** described the run as "Brilliant" being a lover of running in the hills she felt right at home and scored it a 9.8, she also noted that **Franger** doubled back on a few occasions to make sure the runners knew the way. For the walkers **Pacemaker** was called to critique, although not keen on the inclines, he was encouraged by the declines and noted the run was well marked giving it a score of 9.8

Visitors: no visitors this week

LTNS: Franger, Bigus Dickus, Hawk Eye, Dosh, Bell Boy

CHARGES: **Radar** charged Maussie for bringing too many relatives, the mozzies, along to the run. **White Pointer** charged Beau for calling Franger a cheat, as he seemed to know the run too well. Deliverants charged **White Pointer** for providing misleading information out on the run when he assured her that he knew where they were and that there were uphill.

The RA not to be left out had a few charges of his own. He began them with **White Pointer** for wanting to answer a call of number 2 on the run, thank fully **White Pointer** resisted the call until he reached the finish. **Shadow** was charged for giving the RA shit on the run. The RA finished off his appearance for the night by mentioning a few zero hero – Animule 580, Rockbottom 520, Troppo 1220, RTT 1390, Pacemaker 690, and an odd one to finish off Puki Merah for being 380 a 5L?

GENERAL BUSINESS: reminder for salad volunteers to let Radar know of what they were brining

BIRTHDAYS: Franger

DUMMY SHORTS: **White Pointer** for wanting to poo on the run, **Franger** for bringing up his xmas lunch before the run, and **Shadow** for calling **Big Bang** Black Hole. The circle and GM tried there best to sway the vote, the winner in the end was **White Pointer**.

JOKERS: The jokers were shy to come forth this week, in the end **Big Bang** delivered a funny joke about two cops doing an RBT on a suspicious driver, only to realise once they had driven off that they had breath tested the wrong person as the car was left hand drive instead of right
