Run: 1454 Date: 21st December 2018

Hare: Mel Adjusted and Radar

VENUE: 11 Hoya Crt, Thornlie

**THE CIRCLE:** The eager 55 hashers that gathered this week to spread the Christmas spirit and cheer, dressed in their Christmas outfits and lights slowly gathered, a few were reluctant to gather and leave the coolness of the pool. Others were blocked by **Call Girl**, **Big Bang** and **Dead Squid**, who were gathered by the thorough fair near the pool and patio area.

**THE RUN:** The money raised from tonight's run along with additional donations raised \$231, with the club deciding to even it out to \$250, was given to The Food Bank, so that a few more people could hopefully enjoy Christmas.

The run took in the magical lights around Thornlie, and the hashers discovered a few sights unseen on previous runs in the area or is that the visitors from other suburbs discovered more than the Christmas lights on display with the Hashers showing off their own colours with their outfits and lights.

**Bell Boy** thought the run was nice and spread out, with good markings, drink stop and lights, scoring it 9/10. **Wenchy**, who ran and walked, thought the walk was excellent and scored it 10/10

**Visitors and LTNS:** were numerous, and perhaps some missed, included **Small Goods, Nice Tits, Frog, Little Prick, Suka, Mouth Organ, Sir Fumbles, Cookie, and GPS**

**CHARGES:** Charges were few, perhaps the Hashers were trying to be good so close to Christmas to ensure Santa Klaus would call by and leave them some presents. The **RA** without fail had a few charges to hand out, starting with **Call Girl** and **Maussie** for texting ahead asking for the start of the run to be delayed for their tardiness. Next **Maussie** was charged, once again, for bringing in more than annoying friends the mozzies along to the run. The **RA** concluded with an accolade for **Wizecrack** for her excellent vision in spotting a farrow that all other hashers could not see, allowing the run to get back on track

**Maussie** attempted to charge **Call Girl** with a one-year anniversary for her running shoes, it however got reversed with **Maussie** having to down down from **Call Girls** shoe.

**Tigtarse** charged **Sybil** for being light footed (she wore shoe laces that had LED lights in them), consequently all fellow light-footed runners in **D Cell, 15MeNuts, Bravetart, Call Girl, Wizecrack** had to join **Sybil** in the down down.

**Ballwrinkle** charged the On Sec for not knowing the year for The Annual (not the) Kings Park run was being set in.

**Hogshit** firstly charged **Sadar** with being late, and consequently missing out on doing the run, he then charged **Buttered Buns** and **Puki Mera** for friction between hashers as they couldn't see "eye to eye", this was however reversed by the **GM** and the circle as it was too obvious of a charge.

**Sybil** charged **Little Prick** for forgetting her name.

The circle was eager, or drunk, and wanted to continue spreading the charges, however the **GM** called for proceeding to continue.

**GENERAL BUSINESS:** 100 runs for **15MeNuts**

**BIRTHDAYS:** Horny Flasher

**DUMMY SHORTS:** Nominees this week were High Beam, Sir Fumbles, GPS, Puki Merah, Little Prick. The winner was Puki Merah for forgetting the plates etc

**JOKERS:** High Beam told joke of a driver who pulled over to taste test some interesting produce. Each one had two flavours, with each flavour on one half of the fruit, one tasted of peaches and cream, another was Steak and Chips, and the last was Pussy and shit.

Cookie told a joke of a genie lamp and unrealistic wishes
