Run: 1462

Date: 22nd February 2019

Hare: Beau and D Cell

VENUE: Macaulay Park, Hammer Parade, Inglewood, 6052

THE CIRCLE: This week's run had an eager crowd of 41 gather to experience **Beau's** Virgin run, and with **D Cell** taking care of the catering, it was a superb run. This was backed up with the reviews offered by **Phantom** for the runners and **Tootight** for the walkers. **Phantom** liked the extra-large Farrow's making locating the trail nice and easy to follow, although they were on odd occasions too far apart. A healthy length of over 7km with a great drink stop earned a score of 9.5.

Tootight thought the walk was very nice, and easy to follow, so easy that she was able to follow the crowd and talk the whole way without getting lost, she gave the walk a score of 9.45

Visitors and LTNS: We had one visitor tonight **Kate**, which was forced to come by **Minder**, the **GM** ensured **Minder**, who was later charged for this, was made aware of the error of his way in forcing his visitor to come and how to treat a lady in the future. LTNS saw a very welcome return of Maide Muffin to the circle.

CHARGES: The **RA** was back from his absence, but before he could begin the **GM** and **15MeNuts** requested **Megawatt** to clarify how many weeks in a row he was stand **RA**, with the matter cleared the **RA** wasted no time in issuing charges. First was **Beau**, for failing to wear Hash clothing, being the Hare was no excuse for not wearing any. Like a true friend **Big Bang** turned up tonight to help with the drink stop, however he too forgot hash gear and so joined **Beau** in a down down.

Call Girl was charged by the **RA** for not recognising **Dead Squid** and **Animule**, whom had stayed behind, sitting at a bench near the cars.

Gaylord stepped forth into the circle and showing the protective side of himself for his damsel **Buttered Buns**, charged **Sybill** and **Megawatt** for providing misleading information over an event they had invited her too, and, hence crushing her hopes.

The **GM** charged **Minder** for an earlier offence and added on that he didn't look after his visitor on the walk as he seemed more preoccupied to hide from her behind the bushes, and for failing to advise that his visitor did not drink alcohol.

Wisecrack charged **Sadar** for running off into the bushes misleading **Sybill**, who thought he was still on trail rather than answering a call of nature. **Sadar** wanted **Sybill** to get an accolade for having superior eye sight. The **GM** charged **Megawatt** for being inadequate that **Sybill** felt the need to run after **Sadar**

The **GM** charged **Call Girl** because he can, and to ensure that she felt that he didn't pick on her.

Puki Merah charged the hare for not using the Inglewood Triangle, in **Beau's** defence he explained he chose not too due to die back warning disease signs.

GENERAL BUSINESS: The **RA** will be on holiday for two months, one-month stint at a time, and is looking for volunteers to step in during in absence.

BIRTHDAYS: None this week

DUMMY SHORTS: Carry over - **Shadow**

JOKERS: Cookie – 3 girls used Facebook to find each other and after not seeing each other for 30years organised a reunion. They all told their life stories, only to admit they were lies, the third girl had the best lie of all

Pacemaker told two jokes tonight one was about a wet and windy night in Ireland, and the other about Johnny and what he wanted to be when he grew up.

GM told a joke about why Johnny was late for school.

Other Hash Events: Rocky City have their Annual Pink Breast Run coming up 16th April 2019, it would be great if we could get a good turn out from Friday Hash.

Also, on the 5th March the Perth Harriette’s have a Blue Dress Run, refer to the flyer below for details

Next week’s run: Ten Percent and Hard One, Prince Regent Park in Heathridge.

SONG: Minder and Call Girl
