Run: 1458

Date: 25th January 2019

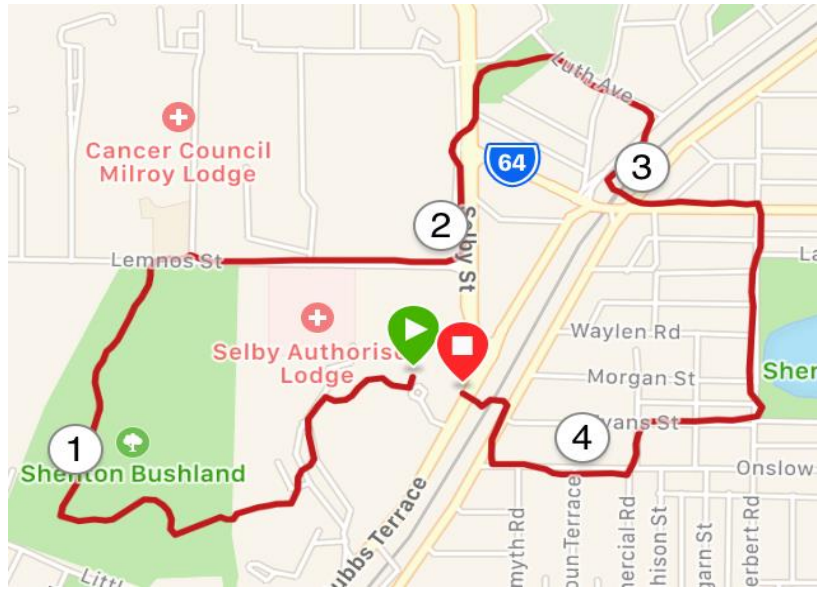

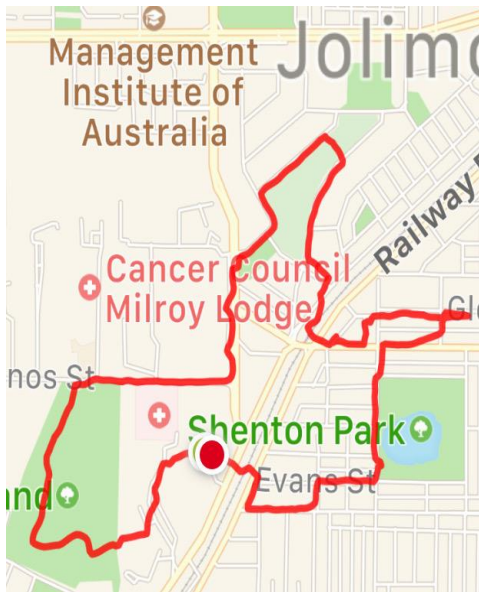

Hare: BigBang

VENUE: Shenton College, Shenton Park

A big thank you to Sybill for picking up the OnSec's notes that she left behind after the run

THE CIRCLE: 42 Eager hashers turned up this week for BingBang's run. The stand in GM Sir Fumbles gathered the bustling crowd, the GM must have been super hungry this week, or he was merely following on from the fast-paced run, as he was quick to call out critiques for the run.

Two maps have been included this week, left supplied by Hogshit, who felt the front runners short cutting too much. The one on the right is supplied by, yours as always in the right as I'm a woman and your GM next committee, 15MeNuts.

THE RUN: Ballwinkle described the walk as more of a run, it was fast paced even for the walkers. He however enjoyed how it took in a lot of different areas, and no one managed to get lost. Tightarse, whom got lost last time, felt the run was under done and too easy to follow. The walkers scored the run 9.7
Puki Merah commented on the lack of hills, and the need for more checks as we lost Franger quite early on, so early that even the short cutters almost beat him to the drink stop, however the scenery was beautiful giving it a score of 9.7258

Visitors and LTNS: Shrek a long-lost visitor from the south graced our run this week, we also had Porno King, GPS, Rambling Rose, Wisecrack and Spackles, Cowpat, and Tootight.

Two visitors from way up north Broome graced our run tonight, LateComer and ChappedLips must have enjoyed themselves as they seemed to be all smiles after the run

CHARGES: The GM keeping the pace up, wasted no time in summoning the RA out, who quickly charged the visitors for being too distracting after the run that the RA didn't have time to prepare properly for the circle. Porno King was charged for being out of the house when he should in the RA's opinion be at home taking care of his pregnant wife. The RA also charged Franger, no one seemed sure what the charge was though

Hogshit called in Sir Fumbles for a drink for standing in tonight.

Maide Muffin charged Animule for being almost rude as he was trying to sing her a song about short people, this charge however was quickly reversed as Maide Muffin actually got her names wrong and meant to call out Ballwrinkle

Sadar asked what was up with LateComer as he seemed to be often fiddling with his left ball

Sybill charged Shrek for not having paid for the run.

Dead Squid seemed concerned that Tightarse might have a heart attack over the cost of the ambulance.

White Pointer was charged for assault and battery after colliding with a cyclist whilst on the run

Franger was charged for leaving the circle, he tried to sneak off and return after getting some scotch without being noticed.

GENERAL BUSINESS: None this week

BIRTHDAYS: Buttered Buns

DUMMY SHORTS: Nominees were Rambling Rose, White Pointer and Franger. The circle voted White Pointer the winner.
