Run: 1466

Date: 22nd March 2019

Hare: Replicar

VENUE: 29 Kathleen St, Yokine

THE CIRCLE: Despite a few regulars missing from tonight's run, an eager crowd of 42 had gathered for tonight's social run. **Big Bang** promised to only always tell the truth as he was called forth to critique for the runners, the signage was magnificent, however the wind almost blew some of them totally away, the hare had used Self-Raising Flour and perhaps this made them rise too much making them susceptible to being swept by the passing wind. The run was scored highly, reflecting the echoed level of enjoyment, with a 9.9

Light My Fire was called upon to critique for the walkers, it was a very good walk, good temperature, not too long, and despite being well marked the walkers missed the Drink Stop. The circle felt this was the fault of the GM who called the trail after at a point where he felt it was time to head home. The score reflected the walker's

disappointment at having missed the drink stop earning an 8.9

Visitors and LTNS: We had **DJ**, from the Harriet's, and **Sir Kum Size**, from Hamersley, visit tonight. Shifty was a Long Time No See.

CHARGES: The **RA** was charged for lying and saying there was no Drink Stop, which also led to the walkers heading home early. After paying for his sins the RA dished out a few charges of his own, beginning with **White Pointer** for catching the buss out on the run.

Spackles was charged for becoming the new GM for Freo Hash, joining him was **Sir Kum Size** as proxy GM for Hamersley, and **Tight Arse** as GM for the Hashers that prefer motorbikes.

Call Girl was charged for having like numbers for her run tally of 44, **Hard One** was charged with having mixed up numbers 213. And some bookends run were **Hogshit** with 454, **Wizcrack** with 212, and **Ten Per Cent** with 323.

Some zero Eros tonight were **Dead Squid** with 570 and **Big Bang** with 80

Hogshit was charged for not being the same man, after having an operation where part of his intestines were removed.

The **GM** called **Sybill** into the circle to inspect her hand, he seemed concerned Sybill may have had her hand somewhere smelly to control **Sadars** ability to talk. This theme continued with a few other hashers in the circle as the non-nominated hashers by the GM sprung into song. Next, he charged Shifty for dropping her cup, perhaps more splash will steady her nerves.

GENERAL BUSINESS: **Wenchy** was presented with a bottle of champagne and 600 run badges, joining her in marking the occasion were **Rambling, Cookie, Phantom, RTT, Radar and Troppo**.

Mountain Hawk is taking orders for leggings, very ideal for winter, at this stage the cost is around \$54, people can email or see **Mountain Hawk** to place their order. Refer to attachments in the email for design and sizing

Big Bang enquired about sending a card to **Puki Mera** to wish him a speedy recovery. **Little Prick** enquired about sending a card to **Suka** who was suffering a sore back. The Committee will organise cards for signing in the runs to follow.

The **GM** mentioned that we are looking at July/August for a weekend away and asked for expression of interest so that the appropriate number could be accommodated.

BIRTHDAYS: None this week

DUMMY SHORTS: Carry over **D Cell**

JOKERS: **Cookie** came to the rescue with two jokes tonight, first joke was about the definition of dating, and the second with a wheel chair Olympian
