RUN: 1478 **28th June 2019** **HARE: Bellboy**
VENUE: Tong's Kitchen, Kardinya SC, South St, Kardinya

THE CIRCLE: There's nothing like a restaurant run to ensure a good turn-out of hashers on a chilly night, especially when they had pre-paid! Thanks to everyone from **Phantom** for doing so, as it made her job much easier. There were 50 hungry hashers ready to have a great feed at a top venue. The Circle convened in the back car-park under a convenient light, with instructions to get into the restaurant by 8.30pm.

D-Cell judged that Hare **Bellboy** set a fine run, with plenty of arrows left for the runners to follow, despite the showers, and gave a score of 9. **Bellboy** was ably assisted in the restaurant booking arrangements by **Horny Flasher**, who live-hared the walkers astray around the long block. **Gaylord Fokker** scored the walk 9.8. He said the pack was spread out, but no-one got lost. Down downs to all.

Visitors and LTNS: (in no particular order) **Arse About, Smallgoods, Nice Tits, Rock Bottom, Crusher, Puki Merah, Made Muffin** and **Beau**, who nearly earned himself an extra down down for taking too long. Comments that they only turned up because it was a restaurant run were not well received!

HABERDASH: After taking the suppliers to task for supplying the wrong style of leggings, we finally have the correct style in progress. **Mountain Hawk** modelled the correctly styled leggings and received a down down for dropping her track-pants in circle. I wonder if we all get shapely legs with the leggings. Hopefully it won't be long before the new order is completed and we can all be blue-arsed flies.

BIRTHDAYS: Three birthdays to mark tonight, so there was plenty of cake for dessert:
GM Mel Adjusted (today), **Sybil** (tomorrow), and **Deliva Rants** (Sunday)

DUMMY SHORTS: Current wearer, **Shadow**, nominated **Arse About**, saying that he only comes to restaurant runs. **Arse About** said he would come more often, but **Soixante Muff** keeps him tied to the bed at home. **Deliva Rants** nominated **Dead Squid** for not believing her when she told him his cheque was in the mail. **Wenchy** nominated **Franger** for damaging a bin with his knee when he ran into it on the run. **Arse About** tried to defend his nomination, but only got in more trouble when he thought that **Shadow** was **Suka**. The cheer vote quickly narrowed down the field, ending with a clear win by **Arse About** over **Dead Squid**.

CHARGES: Stand-in **RA, Arse About**, opened a flood-gate of charges when he charged **Suka** for talking to someone named Michelle on the run. We know no Michelle, only **Shadow**. **Little Prick** was also called out for supporting them in misleading him.

Gaylord Fokker was charged with attempted sex-on-the-run, but pleaded that he was only helping the girls get up the stairs.

Hogshit gave the **GM, Mel Adjusted**, an accolade for being 10 years his junior, but I think he was just thirsty. **Shadow** charged **Made Muffin** for putting a bottle between her legs. It was reversed, because **Shadows** likes that. **Tight Arse** said we have a bottle opener, so there was no need to put it between Shadow's legs anyway. **Mountain Hawk** charged **Mel Adjusted** for covering her ears before he called "Circle Up" when she was standing in front of him. She said it was unnecessary because she is deaf. Charge ricocheted to **Tight Arse**.

JOKERS: Just to remind those who heard them ...

Deliva Rants – Paddy in a lift with a big guy named Turner Brown.

Cookie – A bloke calls 000 because he thinks his wife is dead.

Made Muffin – Dogs and cats know their places in the grand scheme.

Pace Maker – Apprentice undertaker explains how to use a rubber mallet to check the address.

Tight Arse – Guy asks his wife and best friend to stop while he is talking to them.

GENERAL BUSINESS:

The Rottnest weekend currently has 16 on the list. We have 18 beds, so there is room for two more in the current 3-cabin booking. There are a few extra roll-away beds that can be added, but if we get another 8 people (24 in total) we will look at getting another cabin. The booking will be finalised on Monday, so contact **Mel Adjusted** (0407 360 053) ASAP if you have not already done so.

NEXT WEEK'S RUN: **Wenchy** is hare; **Wenchy's** house is the venue. See Hareline.

SONG: **Nice Tits** and **Smallgoods** were called out to lead us in the song.
