Run: 1479

Date: 6 July 2019

Hare: Wenchy

VENUE: Morley

THE CIRCLE: 31 Runners had nothing better to do than a forecasted "Rain Dance". Maybe the occasion of **Wenchy's** birthday that we all turned up to help her celebrate. Wiseley, (not **Wisey**) she had waited till later in the day to set said run and was rewarded with no rain. Instructions were fairly clear. Runners that way, Walkers too !! (or you can do a lap around the block, any block, anyway.) The R.A. must have been involved in the forecast as the rain held off till all the pack had arrived home. Someone's rain gauge had 47mls in, & another overflowed so I guess the R.A deserved the accolade.

THE RUN: **Cowpat** called to critique, Good run, nice parks etc. 9.8. G.M added his comments for the walk. Good walk but over the hour (he must have followed trail) 9.5. D.D for Hare, bickies for Co-hare Bandit.

Visitors: None tonight

LTNS: Blew He. Only because she lives there!! Looking resplendent in her slippers, so obviously wasn't venturing out too far.

CHARGES: R.Acoz it rained in the circle. A bit unfair, as he had done a great job of keeping the rain at bay for the run.

Sybil....trying handstands, needs medicine.

Spackle... Short cutter extraordinaire, (and what's wrong with that) so much so he arrived home way ahead of the pack.

Special Runs; Wenchy....609 Is that a 69er in a threesome or same either way,

White Pointer.. 321.

Cookie.... 1100.

White Pointer, talking to Denis Who theis Denis.

Mountain Hawk, on **Ballwrinkle**, just because it's 4th of July.

Mouth Organ, Coz she's retired.

Puki Mera, Coz it's Canada day as well..

Oops.... Hurry up the splash is getting diluted with the rain.

BIRTHDAYS: Wenchy

GENERAL BUSINESS: G.P.S. is filling the last spot @ Rotto.

Other snippets of interest to someone: B.O. is off to Scotland Grt.Brittain & Ireland to orienteer, soon to be joined by **D.Cell**.

JOKERS: Mountain Hawk, Rambling, Cookie, Pacemaker

OTHER HASH EVENTS:

Hamersley Close to Your Heart run in October
