Run: 1480 Date: 14h June2019 Hare: Blowfly & Cowpat VENUE: 15 Barclay Ave, Padbury 6025

THE CIRCLE: 36 runners this week, **Dcell** was impressed by how many suburbs the hare had managed to incorporate into the run, it had lots of everything with good farrows, 9.5 **TenPerCent** was talking to much to the **GM** to take note of the walk, so no walkers critique or score.

Visitors and LTNS: Long time no sees: **TenPerCent**, **HardOne**, and **15MeNuts**

CHARGES: The **RA** charged:

- 1 **Wisecrack** for giving orders to the **OnSec** on the run, when she commanded her on which way to go on a check. To this **Wisecrack** asked who the **OnSec** was, to which she received another charge.
- 2 **Maussie** for going Hash Right on a check and not calling On when he found trail, instead he waited for the **OnSec** and **RA** to be down the bottom of a hill first
- 3 **Blowfly** for not having a tail light on his push bike, some queried if this was due to **Blowfly** thinking the sun shined out of his bottom
- 4 **Wenchy** for 610 runs, **Wisecrack** for 220 **BallWrinkle** 120, and **Rockbottom** for dyslexic run numbers 534

GM charged **Ballwinkle** for not knowing how to negotiate a roundabout, this charge was transferred to **MouthOrgan** as she was navigator.

Wisecrack charged the **RA** for scaring the wildlife while answering the call of nature

LittlePrick charged **Blowfly** for getting stuck with a swing gate. **LittlePrick** attempted to recharge for **Blowfly** for the lack of rear light on his pushbike, instead earned a reverse charge for not paying attention to this charged already having been paid.

Dcell charged **Wisecrack** for nobbling **Spackles** out on the run
