**Run: 1482 Date: 26th July 2019 Hare: Rambling VENUE: 15 Conigrave PL, Canning Vale**

**THE CIRCLE:** This week we had an enthusiastic 39 hashers turn up, with almost equal numbers of walkers versus runners. **Wisecrack** thought the run was absolutely brilliant, it kept the pack turning over nicely with the front runners often running through the pack and only just far enough in front to call a check or false trail. This assisted in the walkers too being kept in the with the pack, adding to the fun for the runners as they played dodge with the walkers. **Pacemaker** scored the walk 9.9, the loss of 0.1 was for him having to perform guard duty for the **GM** to ensure he didn't fall foul to the low-lying waters in the park lands

**Visitors and LTNS:** No visitors this week, long time no sees this week included **Sadar, Suka, and Crusher**

**CHARGES:** Seeing the **GM** is only one with the power to charge a committee member, he began proceedings by calling forth the **RA** and charged him for disparaging the cook.

The **RA** charged: **Callgirl** for being a drug cheat and using stimulants prior to the run, no one believed they were just chocolates. Next was

**Sadar** charged for falsifying his run numbers. **Tightarse** was recognised for being well enough to be running again. Significant run numbers were **Puki Merah 323, Pacemaker 717, Phantom 1250, Mel Adjusted** and **Radar 330**

**Hogshit** charged **Sybill** for leaning in the circle

**Sybill** charged Wenchy for returning to the wrong house

**Tightarse** wanted to charge all the male hashers, as he didn't know who it was who called up asking if he had a tight wet arse, which of course he had seeing he had just come out of the shower. However, seeing it was **Tightarse** the **GM** didn't follow through with the charge, it did however get a few laughs from the circle.

**Hogshit** gave **Puki Merah** an accolade for the speed in which he sprung into action to help clean up some glass from a bottle Maussie had accidently dropped

**GM** charged **Little Prick** for talking in the circle

**General Business:** **Bravetart** 700 runs, requested new shoes. **White Pointer** over 300 runs

A reminder to pay for the Rottnest stay

**BIRTHDAYS:** **Sheep Shunter**, **LightMyFire** provided two cakes

**DUMMY SHORTS:** Nominees were **GPS**, **Callgirl**, **Wenchy**, and **RTT**. The winner was **RTT**

**JOKERS:** **Horny Flasher**

**Other Hash Events:**

A reminder the **On Sec** away in August, looking for volunteers to do the newsletter. Thank you to **Mountain Hawk** who has volunteered to do one in my absence, this means we will need a few more, if you are happy to give it a go and help the club please let me know.
