Run: 1483

Date: 26th July 2019

Hare: Megawatt

VENUE: 3Park Ave, Crawley 6009

THE CIRCLE: This week we had an enthusiastic 45 hashers turn up for a fun filled adventure around Crawley. **Wenchy** was called upon by the **GM** to comment for the runners, however seeing she was late as a result of picking up a visiting hasher the **GM** quickly called upon Callgirl to give a review. **Callgirl** thought the trail was very good, very enjoyable, very varied. In summary it was VERY, with a score of 9.9.

Ten Percent thought the walkers trail was good but lacked lighting. This comment met with mirth from the circle and the **GM** reminded him that we were all pre-warned by the hare, given this I think he raised his initial score up to 9

Visitors and LTNS: the **GM** decided to include the two categories tonight, so the list includes: **Shrek and Barkoff, DoggyDoo and Horder, Tandem and Quickie.**

CHARGES: The **GM** handed right over to the **RA** who began with

1. **Radar** – not being at hand, willing to give a hand, to the **GM** to assist him in answering the call in nature, the **GM** this week was less independent due to shoulder surgery. **Horder** added **Sybill** to the charge, for despite offering she promptly refused when it came to the crunch
2. **Sadar**- for delaying in his calls of false trail.

3. **High Beam** and **LittlePrick** – doing a reconnaissance of the foyer area as a potential camp site for the night.
4. **PaceMaker** and **Maussie** were reminded that Hash is a non-competitive run as they were caught racing home, prior to **Maussie** spraining his ankle.
5. Interesting numbers this week – **Sadar 505, White Pointer 323, Ballwinkle 121, Troppo** slightly dyslexic numbers **1243, High Beam 515**

GM – **Ballwinkle** for threatening to hurt the **GM, D Liva Rants** tried to add to the humour of the charge but only managed to add herself to it as the GM was not going to be “the arm of all jokes”

Shadow – **White Pointer** and **Shrek** for leaning

Puki Merah – **PaceMaker** for being a law breaker or illiterate and consuming food and drink past the “no food or drink past this point” sign

Blowfly – **Quickie** for only coming to Friday Hash as it was the cheapest Hash to attend while he was visiting

Quickie – **Wenchy** for running continuously late in picking him up

Hogshit – **RTT** is apparently having a career change, he is now trialling as a chair stress tester.

GM – **Hogshit** and **LightMyFire**, not sure of the charge now

General Business: **Shadow** regarding biker’s hash, still room. See **Shadow** or **Tigtarse** if interested

BIRTHDAYS: **LittlePrick 30th**, she suggested we should know all the Hashers Birthdays ahead of time, so the **GM** appointed her the task of overseeing birthday notices

DUMMY SHORTS: **Maussie** and **Slugger** with **Slugger** the winner

JOKERS: **Horny Flasher, Cookie, LittlePrick, D Liva Rants, and Quickie**

Other Hash Events: A few Hashes are unintentionally following each other overseas to the UK and Edinburgh: **15MeNuts, HornyFlasher, and RTT**

Next week’s run: **Troppo’s** birthday run, well sort of, anyway presents will be welcomed 😊 Robert Thompson Reserve Noranda

Song: **15MeNuts**
