THE RUN:

Both groups of last week's official (Rotto) run and the unofficial (not Rotto) run were reunited tonight. (Please refer to last week's run reports).

32 hashers turned up at **Radar's** venue, happy to be part of a dry run, in all aspects as the first announcement was that there is no drink stop..... reason being that we won't cool down..... yeah !! All on chalk, except when there is no chalk, etc etc. The usual.

Co hare **GPS** set the run on his push bike, which resulted in long FTs,

During our short walk **Suka** commented on the well positioned and clearly visible farrows.

THE CIRCLE
