**Run:** 1490

**Date:** 20th September 2019

**Hare:** Sir Fumbles and Cookie

**VENUE:** Harmony Fields, Alcock St Maddington

**THE CIRCLE:** This week we had 40 hashers eagerly waiting for the trail to commence so that they could hurry back to sample **Cookies** cooking. I'm not sure if the Maddington Police were wanting to secretly partake in our run or checking it out to see if their new recruits should become members with the inclusion of reps on the parks sporting equipment, as we spotted at least three cars during our run. The **GM** called on **Franger**, who felt he was always being asked to speak for the runners, we all know that's not the case and that the GM just finds him easy to see from the reflection off his head. Personally, I think **Franger** is just shy as his description of the run was brief with very good, and even though he had run around Maddington before the Hare was able to encompass many new areas. 9.6/10

**DoggyDoo**, thought Maddington must be full of keen gardeners with its pristine gardens, and he thought the walk was good scoring it a 9.8/10

**Visitors and LTNS:** Doggy Doo, Little Prick, Suka, Mouth Organ, Ballwrinkle, Mountain Hawk, Tightarse, and High Beam

**CHARGES:** RA: was less than impressed with **Sir Fumbles** expectation that he performed 10 times, as he felt once a night was more than enough, and anything more was just unreasonable

**D Liva Rants** for writing her name in hieroglyphics, her defence was that she did it without the use of her glasses, the circle was curious how the **RA** managed to decipher who it was. The committee explained that it was due to his Sheik background that he was able to read the hieroglyphics

Significant runs – **610 Animule, 570 Sadar, 520 High Beam, 1415 RTT**, and dyslexic runs **435 Mountain Hawk**

The **GM** recognised **Bravetart's** achievement of 700 runs by presenting her with her badges, **Bravetart** was wearing her gift of new shoes for this achievement, but due to it being a belated presentation **Bravetart** was spared having to christen her shoes with Splash

**GPS** was charged for talking too much in the circle, while he was facing his charge, he took the opportunity to charge **LightMyFire** for misleading the walkers down a False Trail out on the run

**Megawatt** charged **Tightarse** for having the audacity to offer **Sybill** money in his presence.

Inspired perhaps after his charge or just simply not able to bear the guilt no longer, **Tightarse** spilled the beans on one of Friday Hash's deepest secrets. It was the secret love affair between **Sadar** and **Radar**, and they were known as the Dar's. They had a love child **Sukar**, and to hide their secret they called her **Suka** instead. **Sukar** married **Replicar**, **Sukar** went on to become famous with her own show known as The Kardashians.

The **RA** then charged **Tightarse** for having too much time on his hands to be able to come up with such stories

**General Business:** **Hamersley Hash** – Close to your heart run 1<sup>st</sup> October  
**Albany Hash Pirate Run, Mandurah Hash** flyers have been sent in prior newsletters, if you still require the information please let me know.

**DUMMY SHORTS:** carry over **Wisecrack**

**JOKERS:** **Tropo, Mountain Hawk, and Tightarse**

**Next week's run:** **Call Girl, Piney Lakes Winthrop**

**Song:** **Suka**
