**RUN: 1492      4<sup>th</sup> October 2019      HARE: Suka**

**VENUE: 44 Slalom Drive, Wembley Downs**

**THE RUN:** After a stormy day, many decided not to brave the elements, and they missed out! Eighteen die-hards turned up for a short-haired shortish run, bravely set by **Suka** with **Hogshit**'s able assistance.

**Puki Merah** was called on to score for the runners – he nearly earned himself a charge for no hash gear, but he had on his hash underwear so was saved. He declared it a great run, and scored it 9.8. **Sir Fumbles** said it was the best run this week, with pleasantly undulating terrain, and scored it 10.2. It's not often a run gets an average score of 10/10, so here's to **Suka** .... Down downs for all.

**VISITORS & LTNS: LTNS Blowie** (of course – it would be odd if he didn't turn up when the run is at his house!), Visitors were cousin **Ash** and his wife **Clare**. All enjoyed the company and the circle, but didn't venture out on the run. **Suka** will have to be more persuasive next time. **Sybil** earned a charge for sitting in the circle – she was only following the example of **Clare** – who had not been better educated on Circle etiquette. Being behind **GPS** was not enough to avoid being seen by the **GM**.

### GENERAL BUSINESS:

**AGM**, Friday 29<sup>th</sup> November, Riverton Pavilion, Noongar Way, Riverton (behind Riverton Leisureplex, High Road, Riverton). **Dress Theme: Op Shop Formal.**

**Run 1494, 18/10/19**, is a restaurant run. **Sardar** will be setting trail from Chin's Noodle House, 51 Farrington Road, Leeming. Cost for regulars will be \$10; Cost for visitors and others not qualifying for club-subsidy will be \$25. The restaurant needs an indication of numbers ahead of the night, so please **RSVP** to **Phantom** and pay her in **CASH** at **Spackle & Wisecrack**'s run this week if possible.

**Update on RTT** – **Hogshit** reported that **RTT** has survived his prostate surgery, is now prostrate and in good spirits. No pain, because the "on-demand-drug-button" is working really well! We won't be seeing him at Hash for a few weeks, as recovery is not as quick as some surgeries. He elected **Phantom** to take his down

down, which she delegated to **Troppo**, who was quick to accept. **RTT** expects to be out of hospital this weekend, and will be staying with a friend for a few days before heading home.

**Close-to-my-Heart Run** was very successful. There were 149 hashers at the event, raising money for Downs Syndrome. When they have crunched the numbers we will find out how much was raised.

**LATE NEWS:** **Albany Walkabout Hash's #1 Pirate Run has been CANCELLED**. If you were going, please contact Crash ([crash56@live.com.au](mailto:crash56@live.com.au)). There will still be an event with a WOW factor, but on a smaller scale.

**CHARGES:**

**Mel Adjusted** on **Suka** for not educating her visitors on hash etiquette.

**Radar** on **Suka** for having too many up-hills in Wembley Downs. **Suka** passed on to **Blowie** as he made the decision where they should live.

Accolade for **White Pointer (stand-in RA)** because there was no rain on the run.

**Sybil** charged **Shadow** for sitting in circle, but was reversed because **Shadow** did have **GM's** permission.

**White Pointer** charged **Rambling, GPS & Cookie** for leaving the Close-to-my-Heart run early. **Cookie** was excused because she was just a passenger. They missed a fun circle.

**White Pointer** gave **Rambling** and **Cookie** dd's for a combined total of 2500 Runs with Friday & Harriettes. He also wanted to know where **Sir Fumbles** got his black beaver hat (Russia) and **Puki Merah** got his white one (his hair)

**Big Bang** was charged with losing his wife on the way to hash.

**GPS** sang them a very quiet down down song.

**BIRTHDAYS:** None this week

**DUMMY SHORTS:** Absent

**JOKERS:**

**Cookie** – teacher quizzing her class on who said some famous quotations.

**Clare** – there is a spider in her bedroom, she calls him Cotton-Eyed Joe ... Where did he come from? Where did he go?

**NEXT WEEK'S RUN:** **Wisecrack** and **Spackle**, Dudley Hartree Park, Westall Terrace, Leeming

**SONG:** **Suka** and **Blowie** to make sure they still know it!
