THE CIRCLE: This week thanks to **Sybill** sending out a quick email to everyone regarding the run location, we had 33 hashers turn up for wet evening. The rag for last week went AWOL after the **OnSec** failed to show last week and Radar came to the rescue. The rain did lighten up a little for the circle and the remainder of the night. The circle echoed that the trail was excellent and well lubricated. **Dosh** also echoed that she thought it was excellent, however failing to take a torch with her she did get a little lost, other times despite not being sure her keen sense had her on trail, score 9.5. The runners and walkers who braved the rain returned wet, but still full of smiles showing the hares that their efforts to plan and set such a wonderful course was appreciated and enjoyed. **Mouth Organ**, went for a short walk with some great company, that great company was the **GM** and perhaps her comment had more to do with the fear of a charge. Score for the walkers 9.8

Visitors and LTNS: Visitors this week we had Jane , or Mrs Big Bang however yet to be named. Long time no sees we had **Dosh**, **Wacuda**, **Rockbottom**, **Spackles**, **Horny Flasher**, **Maide Muffin**, the **RA**, **Wisecrack**, and **Sheep Shunter**.

CHARGES: **RA – White Pointer** for being a better RA than him when he filled in last week, this is even more commendable as he was literally asked only seconds before the circle started.

- **Wacuda** for causing **Dosh** concerns when she couldn't find him, mean while he was just slacking apparently near the rear of the pack.

- Megawatt** for leaning in the circle
- Significant runs **Radar** and **MelAdjusted** with 340, and **Big Bang** with 100

General Business : Close to your heart run held last Tuesday had 157 runners from 15 clubs across Perth and raised an amazing \$2800.

Reminder Friday Hash AGM 29th November, Op shop formal

Phantom mentioned the passing of Australia’s oldest Hasher **Darwin Don**, a few Hashers from the circle said how they new him and how involved in many aspects or our community he was

Birthdays: Big Band and **Beau**, however no cake this week. It seems without a woman to look after a man or Dcell, the circle was left without a cake.

DUMMY SHORTS: Nominees were sought, although the winner was known before the vote by some, this week were **Tightarse**, **Rockbottom**, the **RA**, and carry over **Sadar**. With the winner **Tightarse**

JOKERS: Horny Flasher, Maide Muffin, Cookie, and Dosh

Next week’s run: Sadar, thank you for your assistance in organizing the venue, 55 Carrington Rd Leeming. \$10 for regulars, the club will be subsidizing he rest. Please help **Sadar** and **Phantom** with numbers and payment by paying before Friday.

Song: Big Bang
