Run: 1494 **Date:** 18th October **Hare:** Sadar **VENUE:** Restaurant run, 55 Farrington Rd, Leeming 6149

THE CIRCLE: This week we had 39 hashers turn up for our restaurant run, thank you to the hare for organising such a banquet, the food was so plentiful there was even some doggie bags. The **GM** must have had his watch on day light savings as the **OnSec** had to remind him of the time and expedite the circle to ensure we were all seated in time for dinner. **Puki Merah** said the run was nice and flat, well-marked and scenic, score 9.8. **Mango** also said the run was well marked, however a gate near the beginning of the run almost ended the walk for him as he almost didn't avoid it. Perhaps **Mango** should have listened out to the runners who were calling it out to alert those following.

Visitors and LTNS: We were blessed with some long time no sees this week *with Mango, Ampol, Ball Warmer, Air Supply, SmallGoods, Soixante Muff, Arseabout, and Nicetits*

CHARGES: RA – tried to charge the hare for following other clubs' marks to lay his run, the charge was reversed though by the **GM** and the Hare, **Sadar** had laid his run before South Perth Hash did there's.

- **Maide Muffing** for porn surfing on her phone
- the **RA** tried again to charge the Hare **Sadar**, this time for giving him sore eyes as a result of looking for Farrow's, this charge too was reversed (I think) as the farrows were large, and the **RA** didn't have his torch
- **Puki Mera** for damaging shire property

Accolade to **Arseabout**, for actually turning up to a run

General Business : **SmallGoods** 100 runs. Reminder we need Hares for January, and our xmas run

Reminder Friday Hash AGM 29th November, Op shop formal

Birthdays: Sadar

DUMMY SHORTS: TightArse began a story, starting on a story when short on time was reason enough for **OnSec** to force a carry over, and ushered **TightArse** back into the circle. The **OnSec** did later apologies for this expedition of proceeding and assured **TightArse** he would get free rain next week

JOKERS: None due to lack of time

Other Hash Events: SOPH# Numbats 1500th run 22 January, flyer attached

Next week's run: Shifty, Grenville Reserve, Corner of Cape St & Stoneham St, Tuart Hill, 6060 .

Song: Mango and Air Supply
