Run: 1495 **Date:** 25th October 2019 **Hare:** Shifty and Hogshit **VENUE:** Grenville Reserve, Tuart Hill

THE CIRCLE: This week we had 32 hashers who thought the hills of Tuart Hill would never end, it was a well set out run that looked like a scene from a farm, with the runners were the sheep dogs running and circling the walkers. The GM stood upon his box and was having trouble picking out a volunteer speaker for the runners, the OnSec seized the chance to shine and stepped into the circle to review for the runners. 15MeNuts said the run was well set out with lots of hills, good markings and well-placed False Trails and Checks, giving it a score of 9.97.

HornyFlasher thought the walk was fantastic, well-marked, and very hilly, scoring the walk 9.8

Visitors and LTNS: Wet Dreams (Sweet Dreams), Gaylord, Buttered Buns, Ten Per Cent and Hard One.

CHARGES: Stand in RA this week was Ballwrinkle, he had a double charge for Shifty, one for her poor choice of venue as it was double

booked making parking difficult, and the second charge for causing the RA's heart rate to go above 190 beats on the Hill of Eternity. Gaylord was next to be charged, and it was for his lack of enthusiasm on the walk with a barely audible murmur calls of on

Megawatt charged Sybill for humping on the run, Megawatt heard Sybill breathing heavily and counting aloud each hump up the Hill of Eternity.

Gaylord charged Sir Fumbles with being reliable and disappointed Buttered Buns, as he forgot to bring his liquorice chocolate sticks. Before Sir Fumbles could get away GPS charged him with for managing to confuse him as to where the drinks trailer was.

The GM charged Megawatt for wearing the same Hash shirt, it turns out Hogshit was too, so the three of them were charged together for not being original.

General Business: We heard about Tightarse having an operation this week, we also heard RTT is doing well, and wished them both a speedy return to Hash. Animule has returned and will be coming back to Friday Hash again soon

The GM called Cookie and Sir Fumbles out for a farewell drink, it turns out though that he was four weeks early.

Birthdays: None this week

DUMMY SHORTS: Carry over with Tightarse
