Run: 1496 **Date:** 1st November 2019 **Hare:** Maide Muffin and Cookie **VENUE:** 2 Feldman Crs, Parkerville

THE CIRCLE: This week we had 30 hashers who braved the weather and the haunted hills of Parkerville, one could almost here the ghost of Kevin the Kookaburra laughing at the runners who braved the conditions, with fading farrows and rain. The walkers braved the conditions too, but only as far as the pub and back. This week's map looked like a slug walking from left to right of the screen, with a peaked cap, the red dot being its nose and a mouth at Rainsford Way, this trail fitted in well with the theme of Halloween and slime.

The **GM** called upon Beau to speak for the runners. **Beau**, like his level of energy and attention span seemed all over the place with his impression of the run. At first, he felt there weren't enough hills, at this comment the other runners gave him such death stare that he quickly changed his tune as he grabbed for one of his hamstrings and sobbed too many hills. **Beau** also felt it was a lovely run despite the nightmarish hills and rain giving it a score of 9.25. **Cowpat** felt the walk was coolish and wet scoring it 9.89

Visitors and LTNS: Case, or Mr Muffin some called him seeing he was Maide Muffins other half, was the only visitor this week, he was also charged with being a virgin at our run. Long time no sees included **DoggyDoo**, **Cow Pat** and **Blowfly**, and **Animule**.

CHARGES: Radar kicked off charges, by charging **Sybill** for being higher than the **GM** in the circle, as she was standing upon some steps.

The **RA** charged himself for failing to hold off the rain. He then charged **Maide Muffin** for using cat handed farrows. Zero Heroes this week were **Hogshit** with 450, **Bravetart** with 710, **Shifty** with 240. Bookends were **Mel Adjusted** and **Radar** with 343, the **RA** was having a bit of trouble with this though as he couldn't make up his mind if it was 434 or 343 so the **GM** charged the **RA** for not being able read. Another bookend was **Pacemaker** with 727. **Shifty**, who was starting to get a taste for the splash, was charged for not dressing up for Halloween yet allowing D Liva Rant to get dressed up herself.

The **GM** charged **Cow Pat** with stolen property, **Cow Pat** merely explained that she didn't want to rush her enjoyment of the unfinished wine, so took the glass with her to enjoy on the walk back.

General Business: The **GM** explained to **Case** the need to ask permission to sit in the circle. The **GM** also reminded Hashers wanting to go to Trinidad De Pago to do so soon as places are running out.

Birthdays: **Case, Megawatt, and Light My Fire**

DUMMY SHORTS: Carry over with **Tightarse**, the suspense of the story is building

JOKERS: **Cookie, D Liva Rants, Replicar, Pacemaker and Troppo**
