Run: 1497 **Date:** 8th November 2019 **Hare:** D Liva Rants **VENUE:** Lake Gwelup, Huntriss Rd Karrinyup

THE CIRCLE: This week we had 31 hashers who braved the weather for a different reason this week, instead of the cold and rain we had the heat of summer to come. The **GM** thought the trail was a great effort, and particularly liked the touch of sending the walkers off first instead of the runners who were held back and scored it 9.9. It was a well-orchestrated run that kept the runners together well, also thanks to **Franger** for doing his own fishhooks, which was fortunate too as we missed **Hogshit** this week who normally makes changes to the trail for the rear of the pack. It was great to see **Puki Merah** back in the runner's pack, the **GM** felt the same so requested **Puki Merah** to speak for the runners. **Puki Merah** managed to keep his sights on **Franger** in the distance as he hunted out all the false trails for the runners, and the weather was perfect, mixed with the right number of hills, score of 9.8.

Visitors and LTNS: Tightarse, Mountain Hawk, Buttered Buns, Gaylord, Franger, Ten Per Cent, Hard One

CHARGES: **RA** – Radar for being disappointed with the locals, they were unfriendly with lots of big dogs.
 - **Animule** for doing his own thing, and not going with the walkers.
 - **White Pointer** for taking his clothes off, thankfully only his shirt.
 - Accolade to the Hare **D Liva Rants** for providing food for the runners out on the trail, however the choice of mozzies etc wasn't that palatable for the runners. This was overturned by the **GM** and the **RA** had the down down instead.

Gaylord charged **Buttered Buns** for trying to cause confusion with her calls, she didn't seem to know he lefts from her rights tonight.

Mountain Hawk charged **RA**, if he ran faster, he wouldn't feel the mozzies.

Maide Muffin had some lost property which was claimed by their respective owners with **Sybill** and **Cookie** coming forward. The **GM** added to the charged as his gear was now cleaner than it's ever been due to it having to be washed after **Mr Maide Muffin** spilled some wine last week. Before **Maide Muffin** could sit down, the **RA** gave her an accolade for **Mr Maide Muffin** saying that he fitted in well and had all the attributes of a seasoned hasher.

General Business: Reminder about the AGM, we need numbers by next week for catering purposes.

Birthdays: Tightarse, Megawatt, and Bravetart. **Tightarse**, having asked permission prior to the circle, entertained us with a lovely birthday song

DUMMY SHORTS: Finally, we were able to hear and applaud the story of the shorts, it was worth the wait, more so as it was great to see Tightarse again. The shorts were regally carried into the circle, they had been washed for 4hrs, after a new washing machine was purchased after the old one died, and the default setting was longer then anticipated. Nominees this week were **White Pointer** and **Cookie**, along with the carry over. The winners was White Pointer.

JOKERS: Mountain Hawk, Tightarse, Cookie and GM

Oher Hash Events: **Perth Hash** have 50 years coming up in Feb next year, flyer to come.
