**Run:** 1498 **Date:** 15th November 2019 **Hare:** Buttered Buns **VENUE:** 8a Fletcher St, Applecross 6153

**THE CIRCLE:** This week we had 37 hashers braved the heat and hills of Applecross for a great drink stop and feed after the run. Unfortunately the runners had part of their trail washed out by some keen gardeners, this caused the **OnSec** and the runners with her to eventually decide to tag onto the walkers trail for a bit until normal preceding were established, the other runners guided by Hogshit managed to find home, I'm not sure if they made it to the drink stop. Some of the walkers also failed to make it to the drink stop, the **GM** helped to ensure they made it back home. The hashers lucky enough to make it to the drink stop enjoyed juicy cool watermelon, cheese and crackers, along with orange and champagne.

**GPS** thought the run was great, and he did a little of both running and walking, he did however feel the farrows were a bit far apart, this may have been perhaps more due the keen gardeners doing some extra watering. Score 9.9

**Blowfly** didn't make it to the drink stop, and unfortunately, I don't recall if he gave a score.

**Visitors and LTNS:** El Vino (Freo Hash) and Gone For were our visitors for this week. Long Time no Sees included Sukka, Soixante Muff, Wenchy, Rockbottom, Horder and DoggyDoo

**CHARGES:** RA – D Cell for retracking a juicy offer from the RA, the RA had accidently spilled some beer on DCell leg and socks and requested the RA lick it off, the offer was quickly removed before the RA could oblige - Troppo for failing to wait for Hogshit to catch up

- **Sukka** for paying her hash fee with a \$50 note and expecting change
- **Beau** for wearing a non-hash shirt on the run, it was an orienteering shirt and **Dcell** felt that if one Orienteer's should drink that herself, **Big Bang** and **D Liva Rants** should do so too.
- zero hero's – **Dead Squid** 590, **Slugger** 450, **Sukka** with 140. **Big Bang** attempted recognition for 104 seeing it contained a zero but was knocked back by the GM
- **MelAdjusted** for consecutive numbers 345

**Soixante Muff** charged **Cookie**, who was protesting being called out as she was perfect in every way so couldn't possibly do anything worthy of a charge, for naming her with a name that electronic funds transfers didn't like making online payments impossible.

**D Liva Rants** charged **Troppo** with gluttony over short cutting to get to the drink stop for Stone Ginger Wine, and then on the run for drinking a runner's drink which he had not yet finished but offered up as he thought **Troppo** had missed out.

**Dcell** charged **Cowpat** with forcing her to walk as she was injured, later Dcell would be very thankful as it was one of the most pain free nights sleeps, she has had in a while.

**Gaylor** was charged for being competitive, as he ran when he fell behind the walkers, in his defence it was only to catch up.

**GM** charged **Buttered Buns** and **El Vino** for sex in the circle

**Shadow** charged **D Liva Rants** with winging all the way to hash, despite getting a new work car she was not happy with many things to do with it.

**General Business:** Reminder about the AGM, we need numbers by next week for catering purposes **RSVP by Wednesday**, failure to do so will result in you going without food.

**Blowfly** requested that anyone wanting to go to Adelaide Nash Hash to speak soon as numbers are limited.

**DUMMY SHORTS:** Nominees this week were **White Pointer**, Troppo, Blowfly, Cowpat. With the winners being White Pointer.

**JOKERS:** due to the large number of talkers slowing down the circle we only had time for one joker this week, Cookie was asked to step forward with that honour

**Oher Hash Events:** **Perth Hash** have 50 years coming up in Feb next year, flyer to come.  
**Rocky City Pink Breast Run** 14th April 2020, also 1500<sup>th</sup> run on 18<sup>th</sup> July 2020  
**Mandurah H3 1800<sup>th</sup>** on 21<sup>st</sup> March 2020 Fair bridge Village, Pinjarra
