Run: 1499 **Date:** 22nd November 2019 **Hare:** D Cell and Beau **VENUE:** Collier Reserve, Thelma St, Como

Before the circle began **Hash, Horn** handed over the trusty horn to the **OnSec** in preparation for next weeks announcement of the new committee

THE CIRCLE: This week we had 39 hashers who needed fully charged batteries to help face a **D Cell** run, it was beautifully set out for our fast runners with long false trails, and **D Cell** managed to use the limited number of hills wells. **Wacuda** felt differently about the number of hills as he sarcastically said there weren't enough of them, he felt it was a very good run but not enough light. We all know hashers should bring lighting or like in your **OnSec's** example be the light ha ha ha. Score 95/100

Ballwrinkle, one of only five walkers to do the whole trail, was asked to review for the walkers, he didn't say much other then he felt it worthy of a 9.99999999999999996

Visitors and LTNS: no visitors for this week. **Long Time no Sees** included **Arseabout, Spackles, Wisecrack, Wacuda, Crusher**

CHARGES: Before the charges could begin the **GM** called out **Wisecrack** to sit on the ice

RA – **Gaylord** for finding the markings on the run disconcerting, he was having a hard time with Freo markings close to, and sometimes upside down, Friday farrows.

- **Hogshit** and **Slugger** for buying foreign hash gear, another clubs gear and Hamersley of all too.... Not good form

- **D Cell** was charged with polluting the splash by adding left over drink stop supplies

- **Radar** for having the wrong address for the run, no excuse could reverse the charge

- Significant runs – 222 **Hard One**, 141 **Sukka**, 345 **Radar**

Mountain Hawk gave the **OnSec** an accolade for taking the time each week and doing a great job in writing out the newsletter.

GM charged **Hogshit** for doing a great job on remarking the trail as needed with his bum facing the opposite way one would expect

General Business: Reminder about the **AGM**, please **don't bring nibbles**,

Shifty and **Bravetart** were iced for talking in the circle, although they seemed to enjoy the chance to sit down more than the punishment.

Darwin Don memorial next year, details to come.

Birthday: **Wisecrack**

DUMMY SHORTS: Nominees this week were **White Pointer**, **Beau**, **15MeNuts**, **Dcell**, and **GPS**. Winner in a rigged vote was **15MeNuts**.

JOKERS: without our reliable **Cookie** we had a few others stand it and provide a few laughs for the circle. This week we had **Mountain Hawk**, **Arseabout** and **Gaylord**.

Perth Hash have 50 years coming up in Feb next year, flyer to come.
