Run: 1500th **Date:** 29th November 2019 **Hare:** MelAdjusted and 15MeNuts **VENUE:** Riverton Pavilion

THE CIRCLE: 47 Hashers turned up, along with a few founding members, to see the changing of the guard. After a disappointing run, where both walkers and runners found the markings lacking or misleading, the outgoing **GM** bypassed some of the traditional proceedings and bypassed the run and walkers' reports. Rest assured we did obtain feedback, and the new **GM** took note of the feedback, and I have scored it a 3. Some marks for the attempt.

Visitors and LTNS: Special guests were **Ampol, Ball Warmer, Air Supply,** and **Mango**. Long Time No Sees included **RTT, Small Goods** and **Nice Tits**. Visitors were **Skimpy** and **Tagg**

CHARGES: The outgoing **RA** seemed keen to get onto his camel and ride off to catch the sunset, as he didn't have any charges. He did have some significant runs with **Ballwrinkle** 130, **Rockbottom** with 530, **Spackle** with 180, **Mountain Hawk** with 460, and himself with 110. **Shifty** had some dyslexic numbers with 243, and one bookend with **Animule** with 616

Rockbottom charged **Dead Squid** with leading the walkers astray, just in case they weren't lost enough already.

General Business: The **GM** thanked the outgoing committee and got them all out for one last down down together. The new **GM** took over, taking centre stage in the middle of the circle, I began by thanking and introducing the new On Sec Big Bang, who must have been really excited as he did a lap of the circle giving everyone a high five. I then thanked those members who have stayed on with **MelAdjusted** becoming the new **RA** and **Phantom** continuing as Hash Cash. The remainder of the new committee were then introduced, Spackles sang the song for the new committee as they had their down down.

However, the new **GM** had made what I'll call as a Rookie mistake, and forgot one of the committee member, one who would have a profound affect on the well being of the whole circle, and that was the new Hash Splash **Hogshit**, I am still so profoundly apologetic for forgetting, as I was so happy when he volunteered to do this position for me.

DUMMY SHORTS: Nominees – **GPS, Dcell, White Pointer, Sheep Shunter and Ten Per Cent.** Winner was **GPS**

Next week's run: **Mouth Organ**, Carine Open Space, Beach Rd opposite Carine Glades Tavern, Carine 6020

Song: Maide Muffin
