RA: Suka and Shadow gasbagging in GM's ear.

RA: Old Molar, after 5 kms asked who is the GM? (she had no idea)

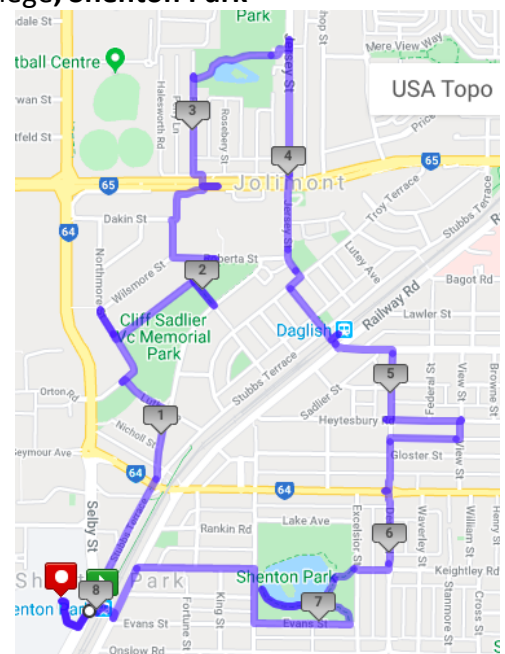

High Beam: Charge on Suka who signs into the book for High Beam 529 to 531 – missed zero hero! le High Beam was 530 last week! RA Reverse charged on High Beam. RA was also charged – it was his mistake.

[If you found this is confusing you should do On Sec]

D Cell on Radar something to do with a missing glass.

Wisecrack: Wacuda and Brave Fart for having SEX on the run. {There is nothing like a *menage a trois* Wisey}

Dead Squid: on Brave Fart – is he from Glasgow. Reverse charge.... [Apparently not – If BF was from Glasgow none of us would have understood him!!]
