**Run: 1507    Date: 24/1/2020    Hare: Pacemaker    VENUE: Lexcen Park, Mindarie**

**Runners report:** Hogshit entered the circle and gave a raspberry, to all that this was Welsh for very good, although there were too many hills. He gave a 9.75

**Walkers report:** Shadow was a bit shady about reporting on the walk as she had only completed part of it, but it was a good part and she gave 9.9

**THE CIRCLE:** 34 attendees

**Visitors and LTNS:** Speckles was called out by the GM he must have been very inconspicuous last week as GM hadn't noticed he was there, he stepped back and let the real LTNS step forward-Cow Pat, Never Hard, Biggus Dickus, Hawkeye, Tight Arse and Mountain Hawk

### CHARGES:

Replica and D Liva Rants given a down down for stepping in for RA and On Sec, and a late mention to the lovely D Cell stepping in for the Horn although she did say she wasn't very horny on the run  
RA had a problem getting started as he was having problems reading his writing, but he soon got into the swing of it

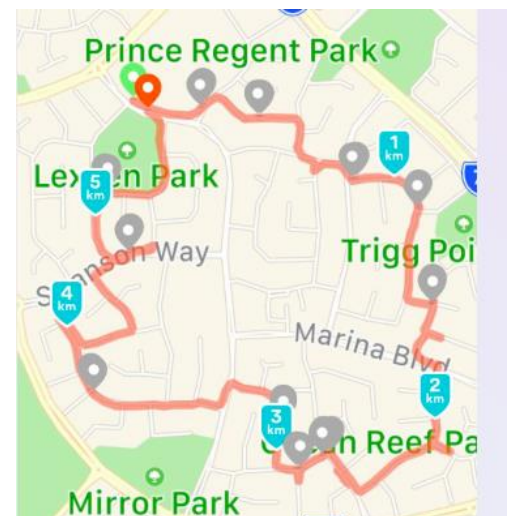

Tropo-charged with missing vital parts of the run and misleading the runners

Beau-was asked if he was a dinky di OZ as he was heard complaining about the lamington flavoured chips

No charges from the subdued circle, maybe they should be fed more often before the circle as the jabber jaws weren't needed once

### Zero and other heroes:

Shadow-530, White Pointer 330, and a bookend for Wisey 232

**Birthdays:** Took a while for Animule to step forward and be anointed with the hat and song, which resulted in some friendly heckling on his age.

**Chinese New Year:** Hard One stepped forward to take a down-down for the Chinese birthday, and her close neighbours Light My Fire and Hawkeye, stepped in so she wasn't downing alone.

### **General Business:**

Receding Hareline Info-please get to Buttered Buns ASAP

Requests for Bell Boy, Franger, Biggus Dickus and Hawkeye to get their email address to On Sec
