**Run** 1509  
**Date** 7 February 2020  
**Hare** D Cell ably assisted by Co-Hare, Beau  
**Venue** Tom Wright Park, Carlisle

### The Run

At the end of the run, Big Bang was shivering and looking rather unwell. Troppo's diagnosis was coronavirus resulting from the consumption of too many coronas so we sent him home and I volunteered to write the rag. Thankfully Big Bang has now fully recovered and will be reporting for duties next week.

**Number** – 34 or thereabouts, **Distance** – don't know, **Map** – no map, heck this is a last minute job!

**Runners' Report:** Tightarse described a convoluted course meandering all over the place and awarded it 7.6 owing to the fact that he is 76yo. This was upgraded 1.5 points after a protest from the hare - see below

**Walkers' Report:** Dead Squid declared it a walk in the park and scored it at 8/10

This led to a call for a recount from D Cell who pointed out that she had provided a perfect evening, an interesting course, a splendid sky, a drink stop (with home grown figs), an ideal location and there was food to come. Objection granted and the score was raised – see above.

### Visitors and LTNS

Bell Boy and Rock Bottom

### The Circle

#### Charges

Radar and Troppo for sex in the circle.

Troppo, who was in exceptionally fine form this evening, for throwing his shoes over the powerline.

Light my Fire for trying to lead the pack astray.

DCell charged Shadow for walking so slowly the drink stop had packed up and left by the time she reached it.

Radar charged Biggus Dickus for causing them to miss the drink stop

Meladjusted charged Wisecrack and Spackle for something??? I clearly wasn't paying attention. Likewise Deliverant's charge on Beau. Beau, in his role as Hash flash was all over the place but missed out taking a selfie when taking a DD.

Tightarse hauled out a bunch of hashers and pointed out their faded shirts and fraying collars. We do have our standards on Friday Hash. Responsibility however was attributed to our haberdashers past and present, Mountain Hawk and D Cell for providing crappy merchandise.

### **Zero Heroes**

Suka 151, Mountain Hawk 464 and Sardar 580 with a special presentation to Dead Squid for his 600<sup>th</sup> run. Dead Squid called on his mates Bell Boy, Troppo and Tightarse to share the celebratory drinks.

### **Birthdays**

No one owned up to having had a birthday

### **General Business**

Rambling is still in hospital. Radar reported that she had sent flowers on behalf of Friday Hash

### **Jokers**

Maid Muffin read a joke about some blokes meeting every ten years for lunch

Mountain Hawk raised or lowered the tone by telling a joke about Einstein's Theory of Relativititty and no, that is not a spelling mistake.

### **Dummy Shorts**

Awarded to Shadow for her dummy spit over the drink stop. Never Hard was a close runner up for complaining that he had no one to speak German with given that Hi Beam was so far ahead. Troppo pointed out that in Carlisle we speak Carlislese! Work that one out.

### **Song**

Dead Squid led us in a rousing chorus.

D Cell produced copious amounts of rice and two delicious curries.
