Run:1511 **Date:** 21/02/2020 **Hare:** Hare High Beam and Co-hare: Never Hard
VENUE: Hinderwell St Scarborough

The Circle: Number: 40

The Run: Distance ? km Map by 15 Me Nuts Thanks!!

Runner's Report Rob (Virgin visitor)- led the runners and his comment was "a walk in the park"-scored it a solid 9

The Walk: Distance ? km Walker's Report; Shadow-"very nice, beautiful scenery" scored it 9.89

Visitors Late Comer and Exit re-entry-came together. Rob (Low Beam made him come)

and LTNS: : Slugger, Hogshit, Wenchy, RTT, Low Beam, Harvey Wallbanger (very, very LTNS)

Grand Mistress jumped straight into the **Zero heroes**, challenging the On Sec to keep up Troppo 1270, Cookie 1120, Hogshit 460, Ballwinkle 140

Charges and Accolades:

Sybil: charged Miznomer with not wearing hash gear, in Miznomer's defence she said that haberdash did not bring any gear with her tonight-this charge was reversed to D Cell.

Radar, also went on to charge D Cell for not having hash gear for Low Beam, but this charge was reversed to Radar as Low Beam was seen stripping during the hash run, she had started with hash gear- Harvey Wallbanger heartily sang a second verse of the Si Si Senora hash song with copious hand movements.

Tight Arse gave an accolade to High Beam and Low Beam as he found them so easy to greet at the outset of hash- Hi Beam and hello Beam-this was reversed and Tight Arse got the down down.

Mountain Hawk charged Troppo for his hash greeting when they walked in-he welcomed the “elderly people”. Troppo was at that point standing next to the Grand Mistress as he had been hauled up for sitting in the circle. D Liva Rants said she was glad he was sitting as she had seen enough of his rear end on the hash run-Troppo said the lane way “moon” was intended for Sardar.

Then the RA was called on for his charges, the Grand Mistress “mixed it up” a bit more:

RA charged Ballwrinkle for lecturing the Grand Mistress about starting the circle too early, this became a double charge with Sybil being charged with complaining about the late starting circle.

RA charged Beau for standing 1 metre higher than the Grand Mistress.

Then the charges just kept rolling in:

Replica (once he got his teeth straight) charged RA for missing some all-important Zero heroes.

Megawatt charged Replica for stealing the baby’s bottle, he scored a drink of a lady pushing a pram on the run.

Sybil, finding it hard to keep a straight face charged Never Hard for asking Mountain Hawk to show him the cock, Mountain Hawk had to explain to Never Hard that she didn’t have one. Not the first time the family poultry have become part of the circle.

Hogshit gave Cookie and accolade for helping out with splash in his absence.

General Business:

Shadow said there was one bed left in the bikers run 13th March to Donnybrook. Shadow is normally a walker but you should have seen her run out of the circle when Dead Squid said he’d go if he could share it with her.

Jokers:

Mountain Hawk-about old /friends sharing their stories about the nursing homes they’d moved to and how their romantic evenings ended.

Cookie-still on the theme of old people listening to a show about the difference of curing ailments and raising the dead.

Dead Squid-joke about why waiters have spoons in their pockets and string on their zippers.

GM-joke about a chap walking into a bar unhappy about a long standing fight with his wife.

Cookie’s tip on the day-It doesn’t matter how nice the soap is in the public toilet, it is never a good idea to come out of there smelling your fingers.

Dummy Shorts:

Shadow being the carry-over dummy short wearer made three nominations.

Beau - for being flash and his camera not working.

Troppo - for cracking up (mooning) in the laneway

Maid Muffin - for commenting on how the dummy shorts would match the droopy boobs.

Troppo was the winner!!
