The Circle: Number: 35

The Run: Distance 6 km Runner's Report: Hogshit: F'n good run – lots of Fs about 9.9/10!! Map courtesy by GM.

The Walk: Distance WKWC km Walker's Report: RTT – they didn't get away from us (the runners) great one!! 9.9/10

Visitors and LTNS: No visitors but Cowpat and Blowfly were having a week in paradise!!

Charges and Accolades:

Mountain Hawk: on Radar for opening a rubbish bin. (We were looking around at each other to see who was responsible for the.....)

Blowfly: on High Beam – at last week's venue my car got egged. High Beam- it wasn't me – I didn't egg your car – it was the chooks on the corner.....(??)

High Beam: on Suka – new shoes....

RA: on Beau for not using hash gear on the run!! Beau said that he didn't want to get sweaty...

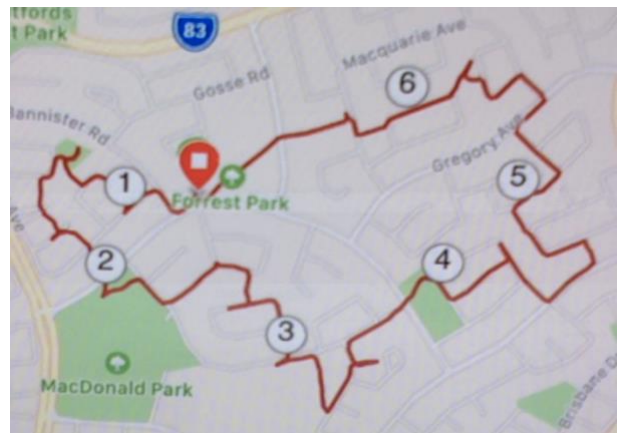

Phantom: Accolade for the RA for "pissing off" (her words exactly) the cloudy weather...

Phantom: Accolade for Slugger, Radar and Suka for making it to the drinks stop. [Mountain Hawk: that's no accolade – that's a lemonade!!]

RA: on Never Hard meandering on the walk 10 to 12 metres in front leading the walkers' pack, Miz Nomer pipes up: "does the trail go thataway?". Never Hard took a DD for not paying attention to the trail.

RA: an accolade for Phantom – we had the best ride up the freeway in years!!

RA: on the GM photobombing the photo that Beau took of High Beam earlier.

Tight Arse: on Never Hard. Tight Arse said that he had to bend over after dropping his keys. He felt lucky (???!!!) because it was Never Hard walking up behind me...

D Liva Rants: on Tight Arse who took 2 hours for something – I cannot read my notes.

GM: Accolade for Roc Bottom for her dedication in travelling the longest distance (from Kalamunda) to get to the hash...

Zero and other Heroes:

RA: DD for Slugger as she has completed 460 runs tonight.

GM: apologised to Dead Squid for having him wait three runs to receive his badges for **600 runs**. Belated congratulations to Dead Squid!!

General Business:

1. Cutlery and Bowls (Not bowels.....) Please wash them after your hash and bring them to the next event. If you cannot do this then give them to the Hash Splash (Hogshit) and he will clean them.

2. Friday Hash weekend planning. On Sec asked if anyone would NOT attend if the Eagles were playing Saturday (2 hands went up), the Dockers (different 2 hands). Someone asked if they were playing each other.... (The On Sec THOUGHT who cares..... he's become a North Melbourne supporter this year.)

3. Dog Shit died. We had a quiet moment and we are all sorry for their (HS & S) loss.

Jokers:

Mountain Hawk: a woman in a hotel received a bill for \$450 for things she never received. The manager said they were there but..... (an oldy but a goody – the joke that is).

RA: The problem with the car. It's got water in the carburettor. Where is the car now? A: it's in the pool!!

Tight Arse: Donald Trump goes cruising with the Pope, Pope loses kippa, Donald strides out over the water and retrieves kippa Newspapers report that Trump can't swim. [More likely Trump ain't Jesus Christ, He would have sunk – holes in his feet!]

Dummy Shorts:

Nominations this week:

Tropo carry over.

Tropo showed how sweaty the dummy shorts were.....

Tropo nominated the GM(!!!!) who was all lit up like a Christmas tree saying that she should have led the trail.

RTT and D Liva Rants on Big Bang for going the wrong way. { Be warned... there will be reprisals}

Tropo retained Dummy Shorts by overall acclamation!!! (Yay, rippa!!)

Next week's run: Run 1513 – 6th March, @ 7:00 pm - 10:00 pm Hogshit, Carine Open Space, enter south into car park from Beach Road.
