Run:1515 **Date:**20/3/2020 **Hare:** Soixante Muff
VENUE: Spargo Place, Myaree

The Circle: Number: 30

This was a great turnout considering the crazy times we are going through, great to see many haven't lost their sense of humour, Dead Squid turning up with some toilet paper and Sybil brought her tape measure to ensure we stayed at good social distance. However, Phantom rightly pointed out that we didn't do well in the social distancing department during the circle, let's make an effort to make it safe for all hashers so that we can continue meeting.

RA has put the Jabberjaws into quarantine.

There were a few mumbles about the length of the walk and some of the checks but those were well and truly forgotten when we rocked up for our drink stop, well done Soixante Muff, couldn't think of a better drink stop than a brewery.

The Run: Runner's Report –Hogshit gave the run a 10/10-Replica piped up that it should have been an 11/10 due to the drink stop

The Walk: Walker's Report-Shadow gave the walk a 12/10, said the walk was interesting, and she loves her falsies

General Business:

FH3's COVID-19 action plan:

- We continue to meet unless things change
- We practise self-distancing
- Anyone unwell stays away
- Anyone feeling well but has a cough or a sore throat, sniffles etc-stay away
- Anyone recently returned from overseas stays away and self isolates
- All runs to be held at parks and not at people's homes
- Hash Cash will wear disposable gloves for hers and every other Hasher's safety, please ensure you have the correct change for the run to assist with minimal handling.
- Piss Pourer does the same and all cups are disposed of by the individual Hasher
- If a Hare provides food then this will be done with minimal handling, we recommend you use your own plates and cutlery
- Please take your own snacks, snacks are not to be shared
- Drinks will still be provided for purchase, although at this point we are looking for a Hash Splash, otherwise we will be bringing our own drinks
- Great opportunity for our friendly hashers to stop talking in the circle so that GM can make the circles a bit shorter
- Also, all restaurant runs and weekends away are on hold for now,
- These are all recommendations made by our GM and her wonderful committee, and will be reviewed as times change
- These plans are to protect us all, so let's work together
