Run:1514 **Date:**13/3/2020 **Hare:** Wenchy
VENUE: Dianella Regional Open Space, Dianella

The Circle: Number: 29

Wenchy after many years of holding the run from her home decided to save on the precious commodity of toilet paper and have the run in the open. Stand in On Sec D Liva Rants was given an accolade by Hogshit on behalf of the GM for ensuring the numbers were less than 500 so that we could hold the run. Cookie was the only one switched on and came dressed for Black Friday

The Run: Runner’s Report –Megawatt –tricky track, I figure this meant it was good as he gave a score of 9.97

The Walk: Walker’s Report-Sir Fumbles-felt that Megawatt underrated the run, he gave it 9.98

Visitors and LTNS:

Bloohee-sorry about the spelling. At this point we were shocked by the first ever time Tight Arse was lost for words when asked to sing a down down song, after blank moments he sang her “Happy Birthday”

Charges and Accolades:

RA charged GPS as he was unable to charge the GM for not wearing hash gear
RA charged Cookie, Shadow, Suka, Mouth Organ and Radar-short cutting through the bush, wannabee movie stars who’d heard they have cameras in the bush to monitor the wild life
Maid Muffin charged D Liva Rants-for once again picking on the little people in the last hash rag, this was accompanied by a charge on same from Bullwrinkle for calling him Blowfly, as this was two weeks ago, stand in On Sec took the extra down down for Big bang who’s still running around the hills in Cyprus
Tight Arse charged High Beam-for the ‘Car Owner Virus’ that she brought to the run
D Liva Rants charged Mouth Organ- for thinking she could share with the stand in On Sec that she had put her tights on inside out

Shadow charged Mouth Organ-for not coming to her aid when she got stuck on the fence and just standing there laughing at her, other hashers around me reflected they may have done the same if they had seen it
Shadow charged Sir Fumbles who didn't stand there and laugh at her, he just ignored her
Tightarse charged Meladjusted and Wenchy for their Coronavirus greeting-the 'bum shake'- Hogshit wasn't too sure about this new greeting due to the shortage of toilet paper

Zero Heroes:

General Business:

Not much general business must have been result of everything being cancelled
Shadow mentioned the bike run this weekend is going ahead mainly in cars-someone must have inside information that the weather report is correct for a change

Jokers:

Cookie-75 year old man going to doctor
Blooh-Homosexuals on buy one get one free cruise

Dummy Shorts:

Hogshit was the carryover, nominated:
Mouth Organ for her inside, outside, upside down tights
GPS having withdrawal dummy short symptoms, GPS happy to confess that he forgot Rambling's chair
Shadow for having her fanny stuck on the fence
Mouth Organ again for getting stuck in the toilet
Mouth Organ won hands down without a vote

Suka was as usual paying great attention to what was happening in the circle and was asked for a down down song-she proudly stepped up and started singing the Friday hash song

Next week's run:

Soixante Muff- Run 1515 20th March 7pm-10pm, 13 Spargo Street, Myaree

Song: As Suka showed such eagerness to lead the circle she stepped in again to lead us in the Friday Hash song

Disclaimer-Stand in On Sec may have twisted some events due to the number of down downs she took, again if I have caused any offence then I've done well.
