Run:1513 **Date:**6/3/2020 **Hare:** Hogshit and Co-hares Slugger and Highbeam
VENUE: Carine Open Space, Carine

The Circle: Number: 28

Circle up was called by the stand in GM Horny Flasher who looked resplendent in her purple crown, the entire circle, except maybe Maid Muffin, should have been called in for down down as all were standing higher than the GM

The Run: Runner's Report –Phantom –thoroughly loved it and left buckets of body fluid along the trail, and here I was thinking it had rained briefly-9.8

The Walk: Walker's Report-Maid Muffin-"wonderful" then upped Sluggers bribe money to \$10-9.99

Visitors and LTNS:

Great to see Rambling back and of course she brought GPS with her, Bellboy and Shifty

Charges and Accolades:

RA entered the circle clearing a path to get through with his bottom bugle, I'm sure that's not how Moses did the water thing

RA charged Hogshit for telling porky pies about the hills-Hash Splash spiked his down down with extra ginger ale as extra punishment

RA charged Maid Muffin-On Secs mind wandered a bit here, charge was also something about Maid Muffin wandering around in the hills that weren't supposed to be there

RA charged Shifty- who thought there was a hasher called 'Michelle'

Replica charged RA for providing way too much humidity, not sure whether the drops at the end of the run came from the humidity or Replica leaving body fluid on the run as well

RTT charged Highbeam for asking Replica for a handful of his nuts

Stand in Grand Mistress charged Highbeam, Shadow and Slugger for being latecomers

Tropo was also resplendent with his down down songs

Zero Heroes:

Shifty 250
Phantom 1280

General Business:

Meladjusted and Rambling spoke about the successful Blue Dress run held this week by the Harriettes for Motor Neuron Disease, 160 hearty hashers attending, raising \$1855 for a worthy charity
Reminder of Mandurah 's big run coming up see previous newsletters
Dead Squid scrambled stand in On Secs brain telling all they had eaten lamb's brain for snacks

Jokers:

Rambling-Joke about an alcoholic, smoker and homosexual dying for their sins
Maid Muffin-Joke about Johnny having sex in the office for \$200 worth of coins
Tropo-A couple of quickies about workers in Karrakatta cemetery losing the plot and balloon blowers worried about inflation

Dummy Shorts:

Tropo was carry over and he got GPS all excited as he couldn't think of anyone that had done anything stupid so was going to let GPS have them, but oh no there's always some stupidity on a hash run, so GPS remained in the shadows

Tropo as well as being carry over was charged again for wanting to go to a kid's party along the run
Hogshit was charged for not knowing his left from his right when setting the run

Tropo ceremoniously handed over the shorts after declaring that he had practised his bottom bugle in them.
Hogshit must have had his hearing aid turned off as he did not hear Sluggers woeful cry for him not to put them on, Slugger must have been concerned about a new outbreak of bottom bugle bacteria.

Next week's run:

Wenchy's Black Friday run-Dianella Regional Open space, Light Street, Dianella

Please note-We have run from my place so many times I have decided to relocate. The run will be from the above location behind the tennis courts. As there is no cover if weather is looking bad at 3pm it will be back to my place 44 Halvorsen Street, Morley, On on, Wenchy

Song: Butterbuns lead the circle in the Friday Hash song
