## AND NOW FOR SOMETHING COMPLETELY DIFFERENT:

### THANK GOD IT'S FRIDAY

(written by Organ – to the tune of “MY Old Man’s a Dustman”)

We are the Friday Hash Club  
And we are all true blue  
When you hear the On-On cry  
You know we’re cummin thru

It happens every Friday nite  
And cos we are so fit  
If any one get’s in the way  
You know we’ll give ‘em shit

And when it comes to down-downs  
You know we never miss  
Friday hashers do it better  
Friday Hashers drink more piss

We are the Friday Hash Club  
And this is what we say:  
F-R-I-D-A-Y  
Thank God it is Friday  
FRIDAY!

Courtesy of Troppo.

Just a little bit of Hashtory. This was the original Friday hash song written by Organ. It was too hard to remember – particularly after a few beers so Troppo wrote the current Friday Hash song because it was easier to member and sing! Thanks Troppo!!
