GM: Accolade of RA – tonight's perfect weather and skies.

Wisey on Beau: [I missed most of this conversation....On Sec] How do you spell "on On"?

Tight Arse on Wisey: who asked the walkers where to go..... There was tittering from the walkers at this request. Enough said.

RA on Hog Shit. Hog Shit was supposed to check the side street after the False Trail was found. Walker RA found the trail that Hog Shit was supposed to find. Hog Shit got the down – down for not doing his job properly.

RA on Beau. D Cell takes off her jumper at the start of the run. Beau held her hash shirt down ... he was being helpful(???)

Gaylord's: Do you want sex? Joke. I think this is a true story. Sounded like it. (OS)

Dummy shorts Last person: GM. Used her privilege by them passing them on to RA.

Nominations: GM Nominated beau for standing in the road when taking Hash Flash.

RA nominated Beau for dropping his phone (withdrew after some consideration).

RA nominated Wisey for an apparent dummy spit in the circle earlier.
