### Visitors and LTNS

Visitor none  
 LTNS Suka and Blow Job, RTT, GPS and Rambling

### Charges

RA on Suka and BJ – convoluted argument about not knowing names.  
 RA on Gaylord and Buttered Buns (and GPS) cuddling and kissing going on.....  
 RA on Replicar an accolade – Rep organised a sip for himself and a can for the RA  
 Shadow on Radar – had a great weekend at Myalup but: Radar took Shadow's towel home [on and on and on.... too much to write]  
 Tight Arse related some story about a computer hacker that went on a bit. The punch line (to me) used the word "hackerlade". Boom-boom!!

Hog Shit on Tight Arse about a bag left behind after a hash. Did I get that right? This was another run **after** Run 1516? Lucky there weren't any dummy shorts!
