Charges

RA: on Shifty, Tight Arse and Mountain Hawk - leaning
Tight Arse – an accolade for BJ (Aka Blowie) who was with the runners walked with TA and that is the reason TA completed the run! [I think that was said]
D Liva Rants who drives 500 km a week and hates tailgaters charged Ballwinkle whose torch [enough said] charged for sex on the run....!!
Wisey – in the same vein said that Troppo's python is a small slug. RA (another H4 member – no pun intended) assures us that it is not a slug.
Cookie on Shifty who has a new Subaru. D Liva Rants warns us that we should all leave first as Shifty does not know where the light switch is in her car!
