Run 1540 AGPU

Date 27th November 2020

Hare D Cell

Venue Whaleback Scout Hall, Parkwood

46 members of the Armed Forces from all over the world, Australian, American, Russian, French, China, Ancient Rome, the list goes on, invaded the streets of Parkwood. Under the orders of the GM we formed a rank circle and received our orders for our foray into Parkwood. Everybody, minus a few with war injuries, set off, the injured are a tough breed though and battled on to assist the GM and D Cell in preparing the hall and drink stop.

D Cell gave us a drink stop worthy of our AGPU, with Gin Bloodbaths and Navy Gin shots.

GM, who looked absolutely dashing in her dress naval uniform, got all hashers into ranks, and if you think our circle isn't round you should have seen the lopsided ranks.

Megawatt was called forth to give a run report, and claimed like a good naval ship the run was rigged, Ballwrinkle went into great lengths to explain what he thought of the run, and I quote "I went on the walk and it was good!" Such words of wisdom.

Then it was time to farewell and thank the outgoing committee, a sterling job done by all, each given well deserved accolades by the Captain of the ship as they prepared to disembark and join the ranks. GM then introduced our new GM, Big Bang, who called his battalion to his side:

RA MegaWatt
Hash Cash Phantom
Hash Splash Hogshit
Hash Horn Beau

Haberdash D Cell
Piss Pourer Replicar
Hash Flash Radar
Webwanker Blowfly
Trail Mistress Suka

GM Big Bang got a bit distracted at this point as earlier he had tried to introduce his On Sec and found out that he was arse about face and this needed to be done last, it took a bit of prompting from various Hashers before Big Bang finally realised he'd missed someone.

On Sec D liva rants

A second Piss Pourer was needed to assist Replicar and Troppo kindly stepped up during the evening and offered to help.

D Cell presented arms (well flags really) Bravo and Zulu, something about dangerous hugs, sounds like a good thing to try.

MelAdjusted took his hat off, which is quite mild for MelAdjusted, so I hear, and led the troops into the Friday Hash song.

Then it was party time, a huge thank you to 15 Me Nuts and D Cell and I'm sure many others who assisted; the hall was decorated superbly, the food was divine, the ambience was warm, perhaps a bit too warm for some, Cowpat showing off some integral points to fellow soldiers as buttons were undone.

Beau was attempting to break his all time record of photos taken in one night, and no shortage of photo material, with the usual shy and retiring Friday hashers; still trying to work out which war Shifty served in not sure where that camouflage hat would be most effective, unless a war breaks out during a LGBTI parade.

A fabulous night!!

On On D Liva Rants (On Sec)

The Committee decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, **a small number** of suitable plates and cutlery will be held by Splash for these circumstances.
