**Run: 1542**

**Date: 11<sup>th</sup> December 2020**

**Hare: Smallgoods and Nice Tits**

**Venue: Janeville Place, South Guildford**

South Guildford was the place to be Friday night, well so thought 54 Hashers. Beau and D Cell was this anything to do with you, pointing your phones to the skies looking for Jupiter and Saturn aligning, did you pin point the spot for many aliens to cum and invade Friday Hash? And cum they did as we found out in the Circle, we had Rocky Hash, Hamersley Hash(worst rendition of what Hamersley hashers do I have ever heard everybody singing to their own beat), Harriettes, Derby Hash and an Indonesian Hash, sorry On Sec didn't quite catch the name. Could someone tell Nice Tits that just because he knows all the words to the Harriette's song it doesn't make him a Harriette, unless I'm missing something.

It was a lovely warm evening, which one would expect in Perth in December, we set off on trail and had only gone two doors down from Smallgood's place where we came across a table with people sitting around it at the end of their driveway, this confused a lot of wishful Hashers, some slowed down impressed that a drink stop was less than 50 metres from the start.

On return and after a chat and a snack, GM called the Circle, and as Sardar was making his way to the fore to give a run report, a plaintive cry came out from our visitor from Derby about the length of the walk, I guess that maybe they don't walk as far up North, it's a wee but warm up there at times. Sardar, however, thought otherwise, it was too short, too flat and too green, but couldn't think of a better place to be to stay young and healthy, and he thoroughly enjoyed the run. Sir Fumbles was asked to give a brief report on behalf of the walkers, he went straight for the core, I mean score, but GM wasn't letting him get away with that, so he stepped forward and expanded on his report, which wasn't a great expansion, but he found the run "As good as it gets".

Our visitors were welcomed in their Clubs, rather than individually, as On Sec was having a whinge about writing everyone's names down. Some LTNS were called in for a down down: Excess Baggage, Leather Lungs and Sheep Shunter.

RA was chomping at the bit to get going with his charges, must have been bloody hot in that Monk's habit, with the dummy shorts underneath. Shifty was called up, she remarked earlier that she thought she'd cum in the wrong house, and D Cell was charged for hanging out her dirty laundry at Friday Hash.

Beau was charged with not being horny enough and the Master Horn from another Club stepped forward to show his big horn!!

Troppo was charged for being outshone by Sybil who also stripped off during the run. Just hope that Troppo takes this on the chin and doesn't try to outshine Sybil next week, Troppo there's no where to go once you have taken your shirt off, leave something to our imagination please.

Charges were then open to the Circle with a strong warning from the GM that it had to be a good one or he will be reversing the charge. On Sec braved the challenge and charged HopPing Mad for getting rooted on trail, she fell and claimed she was distracted by Sheep Shunter peeing in the forest.

There was a late charge by GM on White Pointer for showing his age and leaning in the Circle.

Our Zero Hero for the night was Replicar, with 1150, not a good look when our Hash Splash gags on his own down down, saying how awful it is, I guess we'll be looking at some improvement next week Reppy!

### **General Business:**

On Sec acknowledged our two Hashers who preferred the hospital food to Smallgoods yummy Chilli Con Carne, thoughts went to Slugger and Wisecrack recuperating from their operations. And Mountain Hawk and Tigtarse were excused also for preferring to be at hospital visiting their brand new granddaughter, congratulations.

Please see extra notes re next weeks' runs below

Cookie and Horny brought several laughs to the circle with their great jokes, and then it was time for Megawatt aka RA to step out of the dummy shorts, there was only one nomination, HopPing Mad, although GPS vainly tried to nominate himself, but not happening GPS, GM sent him back to his corner. HopPing Mad was awarded the new Christmas dummy shorts for getting, I mean tripping on, a root on the run.

Shifty led the plethora of Hashers with the Friday hash song.

A special addit to the Rag, a request has cum from Hash Cash and Hash Splash, we know sometimes it can't be helped but try and not bring your 'pineapples' to hash, ('pineapple' being slang for \$50 note) we don't carry enough cash to cover when there are several pineapples presented. Raid the grandkids money box, they're not into coins these days, they would prefer the paper stuff, give them the \$50s.

**The Committee** decided unanimously that as COVID is still present in the community, that members are requested to bring their own cutlery and plates to Friday Hash from now on. For those who forget or are visitors and do not have plates or cutlery, a **small number** of suitable plates and cutlery will be held by Splash for these circumstances.
